AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of all the Sixteen Local Governments of Ekiti State as at 31st December, 2019 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. The audit was conducted in compliance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the state of affairs of the Local Governments of Ekiti State as at 31st December, 2019 subject to the observations in this report.

**REPORT OF THE AUDITOR-GENERAL ON THE ACCOUNTS OF
THE 16 LOCAL GOVERNMENT COUNCILS OF EKITI STATE
FOR THE YEAR ENDED 31ST DECEMBER, 2019**

1. INTRODUCTION

The accounts of the Sixteen (16) Local Government Councils of Ekiti State for the year ended 31st December, 2019 have been audited under my direction in accordance with, Sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively, Section 26(2) of Ekiti State Audit Law, 2014 and Section 32(2) of the Local Government Administration Law No 2 of 1999. I have, as a result, certified the individual accounts as correct where appropriate. The inspection report of the Auditor-General on the accounts of the Sixteen (16) Local Government Councils have been sent for their attention.

2. STATEMENT OF FINANCIAL RESPONSIBILITY:

It is the responsibility of Director of Finance of the Sixteen Local Governments of Ekiti State to prepare and present the General Purpose Financial Statements to the Auditor-General in accordance with the provisions of the Constitution of the Federal Republic of Nigeria within 90 days after the expiration of the financial year. This Section was grossly violated by the Local Governments as many of them presented their Accounts behind the stipulated time. This led to my late reporting on the Accounts. See the dates of submission of the General Purpose Financial Statements by the Local Governments in Appendix 'A'.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Directors of Finance of the Sixteen (16) Local Governments of Ekiti State and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2019 with supporting notes, give a true and fair view of the State of Affairs And Financial Positions of the Sixteen (16) Local Governments of Ekiti State for the fiscal year ended on that date subject to the observations and comments in the other parts of this report.

7. STATE OF ACCOUNTS

The Accounts of the sixteen (16) Local Governments of Ekiti State have been audited and reported upon as detailed in Appendix 'B'. Audit noted great level of non-compliance with laid down procedures of retirement of payment vouchers as contained in Financial Memoranda chapter 14, Paragraphs 4-10. This development is against probity, accountability and prudence that are hallmark of good accounting system and governance. The Inspection Reports of the Sixteen (16) Local Governments for the year 2019 had been issued and forwarded to appropriate quarters as required by law. Particular attention is required to the following:

- a. Bank Reconciliation Statements

- b. Unpaid Salary Advance
- c. Careless handling of Revenue Earning Receipt Booklets
- d. Unproduced Revenue Earning Receipts
- e. Financial responsibilities of State to Local Governments
- f. Internally Generated Revenue
- g. Response to audit queries
- h. Capital Projects
- i. Loss of Fund
- j. Cash Defalcation/Unremitted revenue
- k. Assets Valuation

8. **BUDGET OVERVIEW AND PERFORMANCE:**

(i) REVENUE: The Estimate made for Revenue in the year 2019 budget recorded a low performance. On Internally Generated Revenue, an Estimate was made for **₦395,596,708.00** while actual revenue recorded stood at **₦129,982,890.40** See Appendix 'C' and Notes 22, 23 and 25 for details. This is about **18.69%** performance. It would appear as if the Sixteen Local Government Councils in Ekiti State relied unduly on Statutory Allocation as a result of which an average of **₦8,123,930.65** was realised as Internally Generated Revenue by each of the Local Government during the year. This performance could be improved upon.

In the same vein, a budget of **₦33,192,613,106.01** was provided as revenue from Statutory Allocation during the year, of which an amount of **₦17,403,376,677.17** only was realised. This is **52.43%** of the expected total revenue for the year. Details on Local Government basis are contained in **Notes 21-66**. This wide gap portends an unrealistic budgeting in Local Governments of the State.

It is the view of Audit that realistic parameters should be used in the preparation of Local Governments' budgets. Equally, it would do the Local Governments a lot of good if they try to look inwards in sourcing for funds. Over-reliance on Federal Allocation on which they have little or no control over, would not augur well financially for the Local Governments. However, a total sum of **₦17,403,376,677.17** only was earned as total revenue as at 31st December, 2019 out of which only **₦129,982,890.40** was generated as independent revenue representing

0.75% by the Sixteen Local Governments. However, it was observed in the Financial Statements that a significant increase in the independent revenue of the 16 Local Governments was noticed when compared with year 2018 revenue generated. The Internally Generated Revenue Section of the Local Governments on which a lot of money was spent as salaries and allowances should be more alive to their duties.

(ii) **EXPENDITURE:** The sum of **N25,237,193,531.93** was budgeted for expenditure for the period, but only the sum of **N18,162,564,573.43** was actually incurred, resulting to saving of **N7,074,628,958.50** for the period.

9. **INTERNAL CONTROL AND INTERNAL CHECKS:**

Despite the comments in my previous reports, it was crystal clear that the Internal Audit Departments of the Local Governments were still not effective. No quarterly Internal Audit Report was rendered by any of the Local Governments, contrary to Financial Memoranda sections 5: 2, 3 & 40:6. The placement of these Departments under the Accounting Officers of Local Governments has not helped matters, it only succeeded in making the Department a pawn in the hands of the Local Governments' Managements. The Internal Audit Departments of Local Governments should be made independent by not being accountable to Managements as it is currently done by the State Government.

10. **RECEIVABLES/PAYABLES**

A total sum of **N7,322,789,933.93** and **N9,005,674,498.71** accrued as receivables and payables respectively during the period under review. Audit observed that the irregular payment of salaries, wages and other contractual obligations in the Financial year under review constituted the greater proportion of the payables noted in the Financial Statement.

11. **VALUATION OF LOCAL GOVERNMENTS' ASSETS**

The underlisted Local Governments were yet to value their Assets, as at the time of writing this report. The assets were not disclosed in the Statement of Financial Position since their fair value were not known yet. Exception to this was the construction/purchase of assets made in year 2016, 2017, 2018 and 2019 that were disclosed in some of the affected Local Governments:

The affected Local Governments are:

1. Ilejemeje

2. Ise/Orun
3. Irepodun/Ifelodun

12. **INVESTMENT:**

About 9 out of 16 Local Governments in Ekiti State have in their investment portfolios, shares and other business concerns amounting to **₦36,170,416.15** as at 31st December, 2019. This was said to be at cost and not at the current value. The amount could also, not be authenticated as some of the Local Governments could not present their share certificates on demand. In addition, details of the share holdings were not presented to Audit.

13. **UNPRODUCED REVENUE EARNING RECEIPTS**

Comments: Details of Revenue Earning Receipts which were issued to various Revenue Collectors across the Local Governments but not produced for audit checking are detailed below.

15. 10% STATE IGR TO LOCAL GOVERNMENTS

Comments: Statutorily, the State Government is supposed to remit to Local Government Councils, 10% of her Internally Generated Revenue. No amount was discovered paid to Local Governments in the year under consideration. This has in no small way hampered the operations of the Local Government Councils and constitutes a breach of the Constitution. The table below shows the cumulative indebtedness of the State Government to the Local Governments in the State as at 31st December, 2019.

SUMMARY OF STATE GOVERNMENT'S IGR DUE TO LOCAL GOVERNMENTS

Recommendation: Please, ensure immediate remittance of **₦4,568,151,603.33** to JAAC Accounts. Also, the amount due for subsequent years should be remitted on monthly basis.

16. MANAGEMENT OF LOCAL GOVERNMENT ASSETS

Comments: A lot of Local Government Assets are lost on regular basis due to careless usage, lack of maintenance, lack of spirit of continuity, cannibalization and lack of patriotism. These are attested to by the state of the following Local Governments' assets;

- i) Secretariat buildings
- ii) Locked-up shops,
- iii) Motor vehicles
- iv) Primary school buildings under construction;
- v) Modern markets under construction
- vi) Allocated buildings at Irewolede Housing Estate
- vii) Unmaintained bore holes
- viii) Students' hostels and warehouses
- ix) Health Centres
- x) Landed properties all over the state.
- xi) Plantations,
- xii) Poultry buildings, abandoned/ unused etc.
- xiii) Petrol Stations, (completed and under construction)
- xiv) Other investment assets like business Centre, Schools etc.

Recommendations: To forestall total damage, further deterioration and outright loss of these assets, the Local Governments should compile the list of such assets in their domain and come up with the financial implications of putting them into useful state. In addition to this, Local Governments should open and update regularly fixed assets registers. This will help get abreast of all the assets of the Local Governments at any point in time. It will equally guide against loss of these assets.

In compliance with best practices and the requirements of IPSAS accrual, these assets should be properly revalued and built into the General Purpose Financial Statements of the Local Governments.

17. CONTROL OVER EXPENDITURE:

Disallowances have been raised for some expenditure made during the period under review through Audit Queries amounting to **₦690,894,215.42**. See appendix 'D' for summary and appendices 'DI – DXVI' for details. This also was an increase compared with the amount of **₦499,791,315.40** reported for the year ended 31st December, 2018. These queries have been forwarded to the affected Local Governments for further necessary actions.

It is advised that extant rules and regulations should always be followed in the operations of the Local Governments. Queries should also be promptly attended to whenever they are issued.

**EKITI STATE LOCAL GOVERNMENTS CONSOLIDATED FISCAL OPERATION
REPORTS (FOR) FOR THE 16 LOCAL GOVERNMENTS FOR THE YEAR ENDED
31ST DECEMBER, 2019**

A. REVENUE ANALYSIS

1. DEPENDENT REVENUE

(i)a STATUTORY ALLOCATIION: TOTAL REVENUE

$$\frac{17,098,228,739.11}{17,403,376,677.17} \times 100 = 0.9825 = 98.25\%$$

(i)b $\frac{17,098,288,739.11}{17,403,376,677.17} \times 360^0 = 0.9825 \times 360^0 = 353.70^0$

This shows that statutory allocation took **98.45%** of the total revenue of all the sixteen Local Governments of the State leaving **1.55%** as Independent Revenue. This is not good enough as this indicates that Local Governments rely solely on Statutory Allocation.

i(c) Aids & Grants: Total Revenue

$$\frac{139,090,576.98}{17,403,376,677.17} \times 360^0 = 0.0080 \times 360^0 = 2.88\%$$

i(d) Other Capital Receipts

$$\frac{36,074,470.64}{17,403,376,677.17} \times 360^0 = 0.0021 \times 360^0 = 0.72^0$$

ii. Total Independent Revenue: Total Revenue

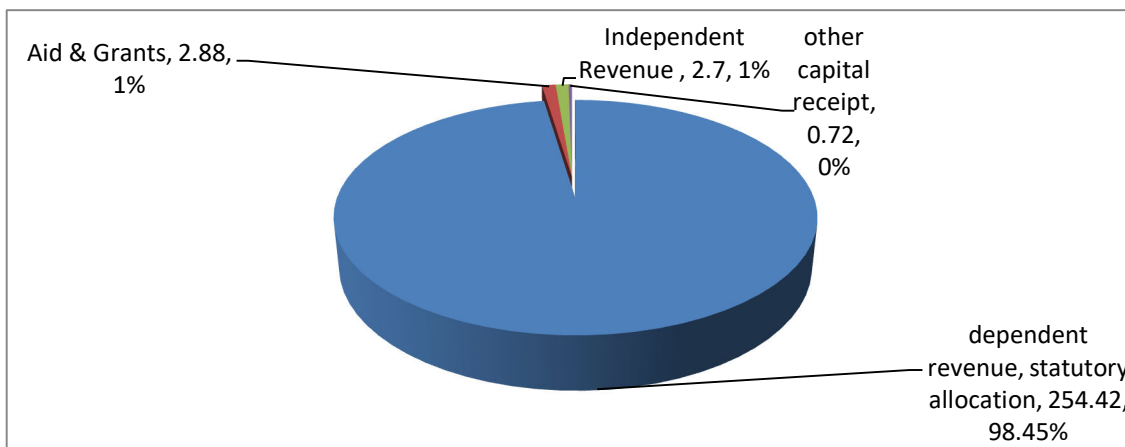

$$\frac{129,982,890.40}{17,403,376,677.17} \times 360^0 = 0.0075 \times 360^0 = 2.70^0$$

RECOMMENDATION:

Effort should be made by all the 16 Local Government Councils on how to improve the independent revenue through the underlisted means:

- (a) Exploring all opportunities around the Local Governments
- (b) Setting target for the Revenue Collectors
- (c) Effective Supervision of Revenue Collectors by their Supervisors
- (d) Bye laws to be reviewed to meet the test of time
- (e) Provision of necessary incentives such as logistics, vehicles, security to motivate the Revenue Collectors
- (f) Revenue generation items taken over by the State should be returned to Local Governments

STATISTICAL ANALYSIS, 2018

KEY

1	STATUTORY ALLOCATION	353.70
2	AIDS AND GRANTS	2.88
3	OTHER CAPITAL RECEIPT	2.70
4	INDEPENDENT REVENUE	0.72
	TOTAL	360⁰

B. Expenditure Analysis

i. Personnel: Total Expenditure

$$= \frac{11,769,860,634.98}{18,253,971,648.79} \times 360^0 = 0.6448 \times 360^0 = 232.13^0$$

The indication of the above ratio shows that salaries & wages took 64.48% of the total expenditure in the 16 Local Governments, as only 35.52% was spent on other expenditure.

ii. Overhead Cost: Total Expenditure

$$= \frac{1,291,512,966.20}{18,253,971,648.79} \times \frac{360^0}{1} = 0.0707 \times 360^0 = 25.45^0$$

iii. Social Contribution: Total Expenditure

$$= \frac{178,069,796.86}{18,253,971,648.79} \times 360^0 = 0.0098 \times 360^0 = 3.53^0$$

iv. Social Benefit: Total Expenditure

$$= \frac{432,195,258.20}{18,253,971,648.79} \times 360^0 = 0.0237 \times 360^0 = 8.53^0$$

v. Transfer to other Government Entities: Total Expenditure

$$\frac{3,859,054,391.16}{18,253,971,648.79} \times 360^0 = 0.2114 \times 360^0 = 76.10^0$$

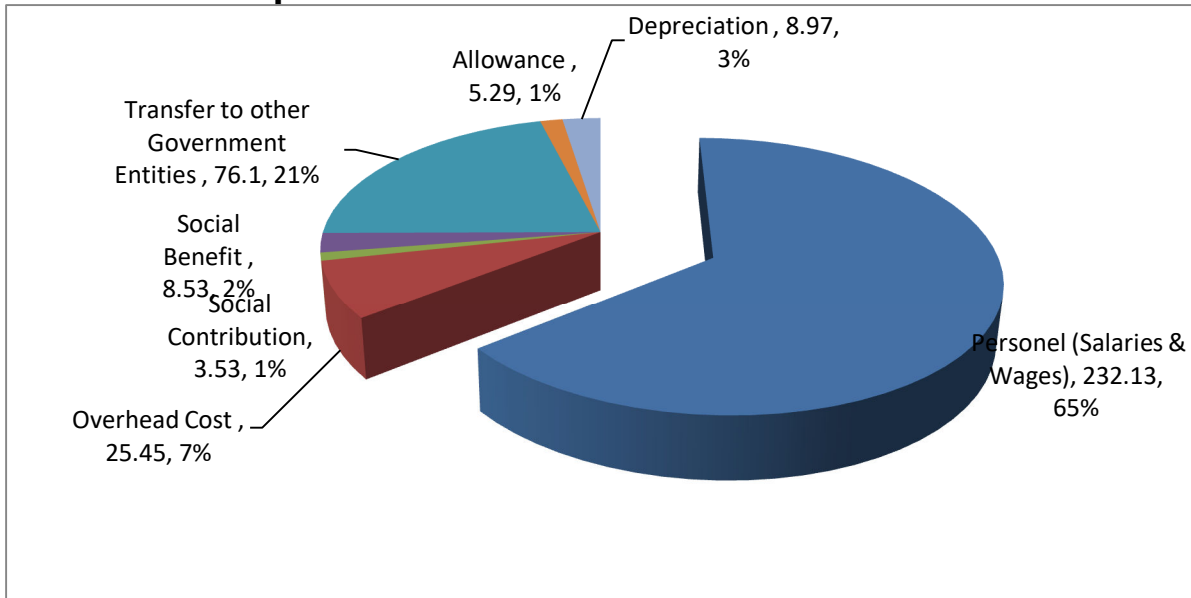

vi. Allowance: Total Expenditure

$$\frac{269,253,777.75}{18,253,971,648.79} \times 360^0 = 0.0147 \times 360^0 = 5.29^0$$

vii. **Depreciation: Total Expenditure**

$$\frac{454,024,823.64}{18,253,971,648.79} \times 360^0 = 0.0249 \times 360^0 = 8.97^0$$

STATISTICAL ANALYSIS KEY

1	Personnel (Salaries & Wages)	232.13 ⁰
2	Overhead Cost	25.45 ⁰
3	Social Contribution	3.53 ⁰
4	Social benefit	8.53 ⁰
5	Transfer to other Government Entities	76.10 ⁰
6	Allowance	5.29 ⁰
7	Depreciation	8.97 ⁰
	TOTAL	360⁰

C. CURRENT RATIO/MANAGEMENT RATIO

i. **current Assets: Current Liabilities**

$$= \frac{7,515,089,782.20}{9,060,612,612.07} \times 360^0 = 1:0.83$$

The current ratio of 1:0.83 is unfavourable for the system as the current asset could not meet the current financial obligations.

ii. **Total Asset: Total Liabilities**

$$= \frac{16,696,072,324.87}{9,166,025,518.99} = 1:1.82$$

The ratio of 1:1.82 suggests that, to every liability, there is at least 1.8 assets to cover.

iii. **Equity: Total Assets**

$$= \frac{7,530,046,805.88}{16,696,072,324.87} = 0.4510 \times 100\% = 45.1\% = 1:0.45$$

The yield of the 16 Local Government of 1:0.45% is on the average, and this is consequential on the low Capital Expenditure.
