This report highlights the functions of the Commission as entrenched in the 1999 Constitution of the Federal Republic of Nigeria (as amended) and its various activities for the years 2019 and 2020.

These activities include but not limited to the following:

- * Recruitment
- * Promotion/Advancement
- * Discipline
- * Transfer/Secondment
- * Monitoring of delegated powers on Officers on GL 01 – 06 etc.

The Report of the Ekiti State Civil Service Commission is published as a feedback to our Governor and to serve as a reference point on the activities of the Commission. The report is intended to educate members of the public on the functions and activities of the Commission as contained in the enabling laws that established it.

ACKNOWLEDGEMENT

This Annual Report is the first in the life of current Ekiti State Civil Service Commission which was constituted on 3rd June, 2019. Members of the Commission wish to express their heartfelt gratitude to His Excellency, Dr. John Kayode Fayemi for his consent to and support for the publication of this Annual Report. The Commission members express deep appreciation to His Excellency for finding us worthy of appointment to join hands with him to move and reposition the State Civil Service Commission in line with the transformation agenda of his administration. We like to assure Mr. Governor of our commitment to making the Ekiti State Civil Service Commission one of the best (if not the best) in civil service matters in Nigeria and a positive point of reference to others in the Federation.

The success recorded during the period under review could not have been possible if not for the cooperation we received from the various MDAs and the prompt response to issues from the Accounting Officers. We cannot but express our deep appreciation for the support of the immediate past Head of Service, Mr. Ayodeji Ajayi and the incumbent, the dynamic, resourceful articulate Head of Service, Mrs. Olapeju Babafemi.

Also, worthy of mention is the cooperation and unalloyed support of members of the Civil Service Commission, the Commission's Secretariat staff headed by the amiable former Permanent Secretary, Mr. Remi Obaparusi (May 2019- 11th September, **2020**), the incumbent resourceful Permanent Secretary, Mrs. Olabisi Akindele and the entire members of staff of the Commission.

Conclusively, the events in the reporting periods are considered up-to-date and it is our belief that this Report will provide useful needed information about the Commission to the State Government and members of the public.

- 5.4.1. The years 2019 and 2020 were very significant in the history of the Commission, considering the enormity of tasks and the challenge of the COVID-19 pandemic

with its attendant effects. Although the lockdown and movement restriction altered the traditional ways of carrying out our duties, the Commission was still able to record a huge success at the end.

- 5.4.2. We wish to extend our profound appreciation to His Excellency, Dr. John Kayode Fayemi, CON for his consistent support without which we would not have been able to achieve this much. We also appreciate the entire Management and staff of the Civil Service Commission for their unflinching loyalty which contributed in making the journey to be smooth.
