Gentlemen of the Press,
Distinguished Ladies and Gentlemen.

I am highly elated to welcome you all to this important occasion of the presentation of the detailed Breakdown of the 2019 Budget christened “Budget of Restoration”, to the good people of our dear State. This presentation of budget breakdown is in keeping with the ethos of transparency, accountability in governance and dedication to excellence as promised by our administration.

2. As you would all recall, His Excellency the Executive Governor of the State, Dr. John Kayode Fayemi presented the year 2018 proposed budget to the Ekiti State House of Assembly on Friday 22nd December, 2018 in accordance with Section 108, 120(2) and (3), and 121 (1) of the 1999 constitution of the Federal Republic of Nigeria. The size of the Budget is ₦129,924,472,135.01 comprising ₦57,214,891,758.72 representing 44% Capital Expenditure and ₦72,709,580,376.29 translating to 56% as recurrent Expenditure. The 2019 Budget of ₦129,924,472,135.01 is ₦21,386,399,321.49 greater than the 2018 Budget of ₦108,538,072,813.52 representing 20% increment. In accordance with the Fiscal Sustainability Plan (FSP) of the Federal Government of Nigeria, the Recurrent Capital ratio of 2019 Budget is 56:44 as against 69:31 in the 2018 Budget.

3. To ensure an all inclusive Budget process, representation from various Communities/Town/Villages in Ekiti State, Members of the Ekiti State House of Assembly, All Executive Council Members, Accounting Officers of Government Ministries, Departments
and Agencies in addition to every Stakeholder were all carried along during the preparation of the 2019 Budget which was in tandem with the four (4) Pillars of this Administration. The four pillars through which our promises will be delivered to the people are Social Investment, Knowledge Economy, Infrastructure and Industrial Development and Agriculture and Rural Development.

4. REVIEW OF THE 2018 BUDGET PERFORMANCE:

Gentlemen of the Press, Distinguished Ladies and Gentlemen, before presenting the breakdown of the 2019 Fiscal Document, permit me to briefly review the performance of the preceding 2018 Annual Budget of our dear State.

7. **THE FOCUS OF YEAR 2019 BUDGET:**

Gentlemen of the Press, Distinguished Ladies and Gentlemen, the main focus of 2019 Budget is to ensure completion of all abandoned Capital projects all across this State in line with the Four (4) Cardinal Programmes of this Administration which cut across Social Investment, Knowledge Economy, Infrastructure and Industrial Development, Agriculture and Rural Development and other important facets of the State for the benefit of Ekiti Citizenry. Additionally, some new Capital projects considered to be in the best interest of the general Public have been incorporated into the Budget in order to promote sustainable and expansive economic growth and development in the State. Also, Implementation plans and operational approaches have been strategically put in place to ensure that expected outcomes are categorically achieved within the planned time frame.

8. **GENERAL OBJECTIVES OF THE 2019 BUDGET**

To achieve the mission of sustainable Economic Recovery and Development, this government has strategically selected its four operational Pillars as highlighted above with the following fundamental and broad objectives:
i. To establish an effective and efficient fiscal strategy to revamp the State economy;

ii. To improve the State’s Internally Generated Revenue, and closely monitor same for the purpose of blocking all leakages of accruals (remittance) to government;

iii. To effectively promote completion of all critical capital projects that have been abandoned, which are aligned with the four Pillars of our Administration’s Policy and programmatic thrust;

iv. To strengthen the human resource base of the State through strategic investments in qualitative education and healthcare delivery to all regardless of status and political affiliations;

v. To reinstitute good governance through budgetary discipline, probity and accountability in the allocation and utilization of Public funds;

vi. To improve the Ease-of-Doing-Business, and provide enabling socio-economic environment required for the success of Government’s reforms;

vii. To create the conditions for Government’s efforts to result in the goal of “Restoring our value” and thus, returning Ekiti to her pride of place in the comity of States in the Federation;

viii. To curtail extra-budgetary spending; and

ix. To provide enabling environment for food security and agro-allied based industries with immense private sector participation.

9. **THE MACRO-ECONOMIC FRAMEWORK FOR THE 2019 BUDGET**

The Budget Parameters, Assumptions and Indicators on Revenue from the Federal Government are based on the following key macro-economic predictions:

i. Crude Oil benchmark of US $ 50 per barrel;

ii. Oil production estimate of 2.4 Million barrel per day;

iii. Exchange rate of N305/US Dollar;

iv. Inflation rate of 12.57%;

v. Blockage of leakages of remittance to the government treasury; and

vi. Consistent economic diversification from absolute reliance on the dwindling Federal Allocation to Agriculture and Entrepreneurship skill acquisition and development.
10. THE EXPECTED YEAR 2019 REVENUE PROJECTION

To sustain the State’s Economic Growth, the present Administration has approved a Revenue with a Budget size of N129,924,472,135.01 comprising of Revenue from Federal Allocation, Internally Generated Revenue, Value Added Tax (VAT), Fund from International Donor Agencies (IDA), State Fiscal Transparency Accountability Sustainability (SFTAS), Innovative and Development Effectiveness for Acquisition of Skills (IDEAS) and other Sundry Income sources.
