AUDIT CERTIFICATE

I have examined the Financial Statements of Ekiti State Government as at 31st December, 2018 in accordance with section 125 (2) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended). I have obtained information and explanations that I required for my audit.

Ekiti State Government initiated accrual basis IPSAS on 1st January, 2017 and elected to adopt transitional exemptions in IPSAS 33 that allows it to apply deemed cost and a transitional period of up to three years. As a result of adopting these transitional exemptions and provisions, the Ekiti State Government is not able to make an explicit and unreserved statement about its full compliance with accrual basis IPSASs. These financial statements are therefore referred to as the second transitional IPSAS financial statements of Ekiti State Government.

In my opinion, the Financial Statements and the supporting Accounts give a true and fair view of the State of affairs of Ekiti State Government as at 31st December, 2018 subject to further observations in my Reports.
