AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of all the Sixteen Local Governments of Ekiti State as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2021. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the state of affairs of the Local Governments of Ekiti State as at 31st December, 2021 subject to the observations in this report.

A.K. Fasakin, BSc, MBA CNA, CFIP.
Auditor-General for Local Governments,

**REPORT OF THE AUDITOR-GENERAL ON THE ACCOUNTS OF
THE 16 LOCAL GOVERNMENT COUNCILS OF EKITI STATE
FOR THE YEAR ENDED 31ST DECEMBER, 2021**

1. INTRODUCTION

The accounts of the Sixteen (16) Local Government Councils of Ekiti State for the year ended 31st December, 2021 have been audited under my direction in accordance with, Sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively, Section 26(2) of Ekiti State Audit Law, 2021 and Section 32(2) of the Local Government Administration Law No 2 of 1999. I have, as a result, certified the individual accounts as correct where appropriate. The inspection report of the Auditor-General on the accounts of the Sixteen (16) Local Government Councils have been sent for their attention.

2. STATEMENT OF FINANCIAL RESPONSIBILITY:

It is the responsibility of Director of Finance of the Sixteen Local Governments of Ekiti State to prepare and present the General Purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2021 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Directors of Finance of the Sixteen (16) Local Governments of Ekiti State and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Positions of the Sixteen (16) Local Governments of Ekiti State for the fiscal year ended on that date subject to the observations and comments in the other parts of this report.

7. STATE OF ACCOUNTS

The Accounts of the sixteen (16) Local Governments of Ekiti State have been audited and reported upon as detailed in Appendix 'C'. Audit noted great level of non-compliance with laid down procedures of retirement of payment vouchers as contained in Financial Memoranda chapter 14, Paragraphs 4-10. This development is against probity, accountability and prudence that are hallmark of good accounting system and governance. The Inspection Reports of the Sixteen (16) Local Governments for the year 2021 had been issued and forwarded to appropriate quarters as required by law. Particular attention is required to the following:

- a. Bank Reconciliation Statements
- b. Unpaid Salary Advance
- c. Careless handling of Revenue Earning Receipt Booklets
- d. Unproduced Revenue Earning Receipts
- e. Financial responsibilities of State to Local Governments

- f. Internally Generated Revenue
- g. Response to audit queries and outstanding matters
- h. Capital Projects
- i. Loss of Fund
- j. Fixed Assets Registers

8. **BUDGET OVERVIEW AND PERFORMANCE:**

(i) REVENUE: The estimate made for Revenue in the 2021 budget recorded a performance of **81.41%**. That is, an estimate was made for **N 38,813,060,742.75** while actual Revenue recorded stood at **N31,597,942,725.58**.

On Internally Generated Revenue, an Estimate was made for **N1,604,140,935.99** while actual revenue recorded stood at **N337,264,303.87** See Appendices 'D' and 'A'- **Notes 22, 23, 25 and 26** for details. This is about **21.02%** performance. It would appear as if the Sixteen Local Government Councils in Ekiti State relied unduly on Statutory Allocation as a result of which an average of **N21,079,018.99** was realised as Internally Generated Revenue by each of the Local Government during the year. This gap portends an unrealistic budgeting in Local Governments of the State. However, this performance could be improved upon.

In the same vein, a budget of **N37,208,919,806.76** was provided as revenue from Statutory Revenue Allocation during the year, of which an amount of **N31,260,678,421.71** only was actually realised. The budgeted Statutory Revenue Allocation was **98.93%** of the expected total revenue for the year. Details on Local Government basis are contained in **Notes 21-27 of Appendix 'A'**.

It was observed that a total sum of **N31,597,942,725.58** only was earned as total actual revenue as at 31st December, 2021 out of which only **N337,264,303.87** was generated as total independent revenue representing **1.07%** by the Sixteen Local Governments. However, it was observed in the Financial Statements that a significant increase in the total independent revenue of the 16 Local Governments was noticed when compared with year 2020 revenue generated of **N162,041,258.01**.

It is the view of Audit that realistic parameters should be used in the preparation of Local Governments' budgets. Equally, it would do the Local Governments a lot of good if they try to look inwards in sourcing for funds. Over-reliance on Federal Allocation on which they have little or no control over, would not augur well financially for the Local Governments.

(ii) **EXPENDITURE:** The sum of **N35,949,301,494.91** was budgeted for expenditure for the period, but only the sum of **N31,638,559,325.92** was actually incurred, resulting to savings of **N4,310,742,168.99** for the period. See Appendices 'B' and 'D' for details.

(iii) **RECEIPTS FROM JAAC:** It was observed by audit in the year under review that the SLGJAAC allocations due to the sixteen (16) Local Governments were completely released to their accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

9. **INTERNAL CONTROL AND INTERNAL CHECKS:**

Despite the comments in my previous reports, it was crystal clear that the Internal Audit Departments of the Local Governments were still not effective. No quarterly Internal Audit Report was rendered by any of the Local Governments, contrary to Financial Memoranda sections 5: 2, 3 & 40:6. The placement of these Departments under the Accounting Officers of Local Governments had not helped matters, it only succeeded in making the Department a pawn in the hands of the Local Governments' Managements. The Internal Audit Departments of Local Governments should be made independent by not being accountable to Managements as it is currently practiced by the State Government.

10. **RECEIVABLES/PAYABLES**

A total sum of **N5,590,412,205.31** and **N8,315,424,011.73** accrued as receivables and payables respectively during the period under review. Audit observed that arrears of salaries & wages and other outstanding contractual obligations constituted the greater proportion of the payables noted in the Financial Statement.

11. **INVESTMENT:**

About 9 out of 16 Local Governments in Ekiti State have in their investment portfolios, shares and other business concerns amounting to **N20,667,880.15** as at 31st December, 2021. This was said to be at cost and not at the current value. The amount could also, not be authenticated as some of the Local Governments could not present their share certificates on demand. In addition, details of the share holdings were not presented to Audit.

12. UNPRODUCED REVENUE EARNING RECEIPTS

Comments: Details of Revenue Earning Receipts which were issued to various Revenue Collectors across the Local Governments but not produced for audit checking are detailed below.

LIST OF UNPRODUCED REVENUE EARNING RECEIPTS FOR THE YEAR

S/N	LOCAL GOVERNMENT	TYPES OF RECIPITS/NO OF BOOKLETS
1	ADO	5 GRR, 1 Treasury Receipts, 1 Birth Certificates, 1 Liquor Certificate, 1 Market Tolls, 1 Motor Park.
2.	EMURE	1 GRR, 9 Local Rates.
3.	EKITI EAST	2 Flat Rates, 7 Market Tolls.
4.	EKITI WEST	10 GRR, 9 Flat Rates, 25 Market Tolls, 3 Tenement Rate, 1 HILL, 1 Tipper Permits.
5.	EKITI SOUTHWEST	13GRR, 3 Market Tolls, 1 Tenement Rate.
6.	AIYEKIRE	13 GRR, 2 Tenement Rate, 2 Birth Certificates, 1 Liquor Certificate, 18 Flat Rates.
7.	IDO/OSI	4 GRR, 7 Birth Certificates, 5 Flat Rates, 54 Market Tolls.
8.	IJERO	21 Market Tolls, 2 Flat Rate.
9.	IKERE	4 GRR.
10	IKOLE	2 GRR, 7 Flat Rates, 6 Tenement Rate, 21 Market Tolls.
11.	ILEJEMEJE	2 GRR, 1 Birth Certificates, 2 Flat Rates.
12.	ISE/ORUN	1 GRR, 6 Treasury Receipts, 1 Flat Rates.
13.	MOBA	2 GRR, 6 Flat Rates, 1 Tenement Rate, 16 Market Tolls, 3 Birth Certificates.
14.	OYE	9 GRR, 22 Tenement Rate, 34 Market Tolls.

Recommendation: The Managements of the affected Local Governments should ensure that all revenue earning receipts in custody of these Revenue Collectors are made available for Audit check without delay. Meanwhile, their salaries should be put on hold pending the presentation of the

receipts. Clearance must equally be obtained from the Office of Auditor-General for Local Governments before the reinstatement of their salaries.

13. 10% STATE IGR TO LOCAL GOVERNMENTS

Comments: Statutorily, the State Government is supposed to remit to Local Government Councils, 10% of her Internally Generated Revenue. The outstanding amount covered the years 2014-2018. This has in no small way hampered the operations of the Local Government Councils and constitutes a breach of the Constitution. The table below shows the cumulative indebtedness of the State Government to the Local Governments in the State as at 31st December, 2018.

SUMMARY OF STATE GOVERNMENT'S IGR DUE TO LOCAL GOVERNMENTS

S/N	YEAR	AMOUNT COLLECTED ₦	AMOUNT DUE ₦	AMOUNT PAID ₦	BALANCE ₦	REMARK
1	2014	7,327,233,743.73	732,723,374.37	33,567,706.49	699,155,667.88	Not paid
2	2015	8,329,498,525.71	832,949,852.57	-	832,949,852.57	Not paid
3	2016	5,625,292,591.21	562,529,259.12	-	562,529,259.12	Not paid
4.	2017	11,901,854,044.31	1,190,185,404.43	-	1,190,185,404.43	Not paid
5.	2018	11,749,154,857.67	1,194,915,485.76	-	1,194,915,485.76	Not paid
	TOTAL	45,133,033,762.63	4,513,303,376.25	33,567,706.49	4,479,735,669.76	

Recommendation: Please, ensure immediate remittance of outstanding balance of **₦4,479,735,669.76** to JAAC Accounts.

14. MANAGEMENT OF LOCAL GOVERNMENT ASSETS

Comments: A lot of Local Government Assets are lost on regular basis due to careless usage, lack of maintenance, lack of spirit of continuity, cannibalization and lack of patriotism. These are attested to by the state of the following Local Governments' assets;

- i) Secretariat buildings
- ii) Locked-up shops,
- iii) Motor vehicles
- iv) Primary school buildings under construction;
- v) Allocated buildings at Irewolede Housing Estate
- vi) Unmaintained bore holes
- vii) Students' hostels and warehouses
- viii) Health Centres
- ix) Landed properties all over the state.
- x) Plantations,
- xi) Poultry buildings, abandoned/ unused etc.
- xii) Petrol Stations, (completed and under construction)

xiii) Other investment assets like business Centre, Schools etc.

Recommendations: To forestall total damage, further deterioration and outright loss of these assets, the Local Governments should compile the list of such assets in their domain and come up with the financial implications of putting them into useful state. In addition to this, Local Governments should open and update regularly fixed assets registers. This will help get abreast of all the assets of the Local Governments at any point in time. It will equally guide against loss of these assets.

In compliance with best practices and the requirements of IPSAS accrual, these assets should be properly revalued and built into the General Purpose Financial Statements of the Local Governments.

15. CONTROL OVER EXPENDITURE:

Disallowances have been raised for some expenditure made during the period under review through Audit Queries amounting to **₦221,656,829.43**. See appendix 'E' for summary and appendices 'EI – EXVI' for details. This also was a decrease compared with the amount of **₦358,682,568.73** reported for the year ended 31st December, 2020. These queries and other infractions noted on individual Local Government accounts during the financial year had been forwarded to the affected Local Government Managements for their responses. As at the time of writing this report, responses to issues raised in Audit Inspection Reports are still been awaited.

It is advised that extant rules and regulations should always be followed in the operations of the Local Governments. Queries should also be promptly attended to whenever they are issued.

a. LOSS OF FUND COMMENTS:

The following losses, details of which have been communicated to the affected Local Governments are still under correspondence. No further recovery has been reported to this Office.

LOCAL GOVERNMENT	YEAR	AMOUNT OF LOSS (N)	AMOUNT RECOVERED (N)	BALANCE (N)	OFFICIALS INVOLVED

RECOMMENDATION

The sum of **₦19,046,217.28** should be recovered from the affected Officials jointly and severally without delay, in addition to appropriate sanctions.

b. MISSING REVENUE EARNING RECEIPTS

COMMENTS:

The missing Revenue Earning Receipts as detailed below would appear not recovered from Officers involved.

SUMMARY OF MISSING REVENUE EARNING RECEIPTS IN THE 16 LOCAL GOVERNMENT COUNCIL

S/N	NAME OF LOCAL GOVERNMENT	AMOUNT OF LOSS	OFFICERS INVOLVED
1	ADO	10GRR	Mr. Agun M.O, Mrs. Ibitoye and Miss Lola Oladepo

c. UNPAID SALARY ADVANCE

COMMENTS:

Despite the comment in my previous reports, a sum of **₦2,003,935.10** that were at various times granted to some Political Office Holders and Career Staff of some Local Governments in year

2015, are still outstanding. Details of these are as shown below.

S/N	NAME OF LOCAL GOVERNMENT	NAME	AMOUNT N	REMARKS
1	Ido/Osi	Mr. Folademi & Arolasuyi O.	200,000.00	O/S
2	Ikere	Mr. Oladunjoye L.S	353,785.14	"

4	Oye	Political Office Holders	175,000.00	"
	TOTAL		2,003,935.10	

16. LOCAL GOVERNMENT ABANDONED PROJECTS

COMMENTS: Some projects carried out centrally in the 16 Local Governments are currently abandoned, even after millions of naira had been expended on them. They are;

- i. Construction of Primary School Buildings -
- ii. 5 kilometre roads

Details of these projects are contained in various previous audit reports

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The Financial Statements have been prepared by the Directors of Finance of the Sixteen (16) Local Governments based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Positions of the Local Governments.

We accept responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In our opinion, these General Purpose Financial Statements fairly reflect the financial position of the Local Governments in Ekiti State as at the year ended 31st December, 2021.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statements (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Consolidated Statement of Financial Performance
- b. Consolidated Statement of Financial Position
- c. Consolidated Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) CONSOLIDATION POLICY (IPSAS 35 formerly IPSAS 6)

The Consolidation of the GPFS is based on Accrual Basis of Accounting. All the sixteen (16) Local Government Councils of Ekiti State were consolidated in the GPFS in line with **IPSAS 35**.

(5) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Governments. The items in the

Statements were cross referenced to any related information in the Notes and followed the format provided in the Accounting Manual.

(6) BASIS OF MEASUREMENT (IPSAS 29)

These General Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control And Management Act (1958) now CAFM. 26 LFN 2004.

(7) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the 16 Local Governments.

(8) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(9) BUDGET INFORMATION (IPSAS 24)

The approved annual budgets were in line with the Appropriation Law and were prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the sixteen (16) Local Governments. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(10) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(11) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- i. Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- ii. Revenue from exchange transactions is recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(12) AID AND GRANTS

Aid and grants to the Local Governments were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(13) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(14) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- a. Operating Activities section which includes cash received from all income sources of the Local Governments and recorded the cash payments made for the supply of goods and services.
- b. Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- c. Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(15) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less,

in which the Local Governments invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(16) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(17) PREPAYMENT

Prepayment expenses were payments made in advance of receipt of goods or services, i.e., the payments were made early the year for benefits to be received over the latter part of the year or payments made in one year for benefits to be received in subsequent years.

(18) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(19) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of all the sixteen (16) Local Government Councils as at the end of year 2021.

(20) INVESTMENT PROPERTY (IPSAS 16)

These were cost generating property owned by the Local Governments. The cost, capitalisation depreciation and impairment were same with PPE, but was reported separately in the Statement of Financial Position.

(21) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(22) UNREMITTED DEDUCTIONS.

Unremitted deductions were monies owned to third parties such as tax authorities, schemes, and Association and other government agencies. These included tax deductions and other deductions at source. These amounts were stated in the GPFS at their repayment value, which were treated as Current Liabilities in the Statement of Financial Position.

(23) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(24) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(25) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(26) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(27) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Governments measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(28) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

(29) BIOLOGICAL ASSETS (IPSAS 27).

IPSAS 27 requires Biological assets to be measured at fair value less cost of disposal at initial recognition and at each reporting date, except where the fair value cannot be determined reliably, the affected Local Governments could not reliably determine fair value less cost to sell.

**EKITI STATE LOCAL GOVERNMENTS CONSOLIDATED FISCAL OPERATION
REPORTS (FOR) FOR THE 16 LOCAL GOVERNMENTS FOR THE YEAR ENDED
31ST DECEMBER, 2021**

A. REVENUE ANALYSIS

1. DEPENDENT REVENUE

(i)a STATUTORY ALLOCATIION: TOTAL REVENUE

$$\frac{31,260,678,421.71}{31,597,942,725.58} \times 100$$

$$= 0.9893 = 98.93\%$$

(i)b $\frac{31,260,678,421.71}{31,597,942,725.58} \times 360^0$

$$= 0.9893 \times 360^0 = 356.15^0$$

This shows that statutory allocation took **98.93%** of the total revenue of all the sixteen Local Governments of the State leaving **1.07%** as Independent Revenue and other (investment income). This is not good enough as this indicates that Local Governments rely solely on Statutory Allocation.

ii Independent Revenue: Total Revenue

$$\frac{233,095,871.37}{31,597,942,725.58} \times 360^0$$

$$= 0.0074 \times 3600 = 2.66^0$$

NOTE: Independent Revenue (Tax Revenue, Non-Tax Revenue & Expenditure Recovery) =

$$51,623,321.12 + 181,167,550.25 + 305,000.00 = \mathbf{N233,095,871.37}$$

iii. Other (Investment Income): Total Revenue

$$\frac{104,168,432.50}{31,597,942,725.58} \times 360^0$$

$$= 0.0033 \times 360^0 = 1.19^0$$

RECOMMENDATION:

Effort should be made by all the 16 Local Government Councils on how to improve the independent revenue through the underlisted means:

- (a) Exploring all opportunities around the Local Governments
- (b) Setting target for the Revenue Collectors

- (c) Effective Supervision of Revenue Collectors by their Supervisors
- (d) Bye laws to be reviewed to meet the test of time
- (e) Provision of necessary incentives such as logistics, vehicles, security to motivate the Revenue Collectors
- (f) Revenue generation items taken over by the State should be returned to Local Governments

STATISTICAL ANALYSIS KEY

S/N	HEAD OF REVNUUE	DISTRIBUTION (°)
1	STATUTORY ALLOCATION	356.15
2	INDEPENDENT REVENUE	2.66
3	OTHER (INVESTMENT INCOME)	1.19
	TOTAL	360°

B. EXPENDITURE ANALYSIS

i. Personnel: Total Expenditure

$$= \frac{13,113,185,514.43}{31,638,559,325.92} \times \frac{360^0}{1} = 0.4145 \times 360^0 = 149.21^0$$

The indication of the above ratio shows that salaries & wages took 41.45%

of the total expenditure in the 16 Local Governments, as only 58.55% was spent on other expenditure.

ii. Overhead Cost: Total Expenditure

$$\frac{1,066,773,026.68}{31,638,559,325.92} \times \frac{360^0}{1} = 0.0337 \times 360^0 = 12.13^0$$

iii Social Contribution: Total Expenditure

$$= \frac{224,911,640.59}{31,638,559,325.92} \times \frac{360^0}{1} = 0.0071 \times 360^0 = 2.56^0$$

iv Social Benefit: Total Expenditure

$$= \frac{158,883,800.58}{31,638,559,325.92} \times \frac{360^0}{1} = 0.0050 \times 360^0 = 0.81^0$$

v. Transfer to other Government Entities: Total Expenditure

$$\frac{16,097,770,281.90}{31,638,559,325.92} \times \frac{360^0}{1} = 0.5088 \times 360^0 = 183.17^0$$

vi. Allowance: Total Expenditure

$$\frac{153,036,177.26}{31,638,559,325.92} \times \frac{360^0}{1} = 0.0048 \times 360^0 = 1.74^0$$

vii. **Purchase of Assets: Total Expenditure**

733,763,697.09

$$\frac{733,763,697.09}{31,638,559,325.92} \times \frac{360^0}{1} = 0.0232 \times 360^0 = 8.35^0$$

viii. **Purchase of Investment Property: Total Expenditure**

11,308,105.78

$$\frac{11,308,105.78}{31,638,559,325.92} \times \frac{360^0}{1} = 0.0004 \times 360^0 = 0.13^0$$

xi. **Repayment of Borrowings: Total Expenditure**

$$\frac{78,927,099.61}{31,638,559,325.92} \times \frac{360^0}{1} = 0.0025 \times 360^0 = 0.90^0$$

C. CURRENT RATIO/MANAGEMENT RATIO

i. Current Assets: Current Liabilities

$$= \frac{5,741,844,956.31}{8,337,025,385.07} = 1:1.45$$

The current ratio of 1:1.45 is unfavourable for the system as the current asset could not meet the current financial obligations.

ii. Total Asset: Total Liabilities

$$= \frac{18,919,488,186.53}{9,644,243,590.46} = 1.96:1$$

The ratio of 1.96:1 suggests that, to every liability, there is at least 1.96 assets to cover.

iii. Equity: Total Assets

$$= \frac{9,275,244,596.07}{18,919,488,186.53} = 0.4903 \times 100\% = 49.03\% = 0.49:1$$

The yield of the 16 Local Government of 0.49:1% is on the average, and this is consequential on the low Capital Expenditure.

REPORT

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF ADO LOCAL GOVERNMENT,

ADO-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Ado Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

A.K. Fasakin, BSc, MBA, CNA, CFIP.
Auditor-General for Local Governments,
Ekiti State.
FRC/2014/ANAN/00000010278

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF ADO LOCAL GOVERNMENT, ADO-EKITI FOR THE YEAR
ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Ado Local Government have been examined in accordance with sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively, section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Ado Local Government to prepare and present the Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are

free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- i. The estimate made for Revenue in the 2021 budget recorded a performance of 74.69%. That is, an estimate was made for N4,378,779,072.09 while actual Revenue recorded stood at N3,270,506,982.79. Equally, the actual IGR of N39,409,790.58 represents only 1.21% of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.
- ii. The sum of N4,271,762,928.11 only was budgeted for expenditure but only N3,288,857,548.35 was actually incurred, resulting to a saving of N982,905,379.76 for the period.

8. REVENUE ACCOUNT

A total sum of N3,270,506,982.79 was earned as total Revenue as at 31st December, 2021 out of which only 1.21% (N39,409,790.58) was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a surplus of 36.14% over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. AUTHORITY FOR EXPENDITURE

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10 of this report

10. INFRACTIONS DURING THE YEAR

The following expenditure appears to be contrary to law.

S/N	Query	Subject	Amount (₦)

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. **STATEMENTS OF ASSETS AND LIABILITIES**

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. **DISALLOWANCE**

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. **STATE OF ACCOUNT**

The Accounts of Ado Local Government had been examined up to 31st December, 2021 and detailed observations have been forwarded to the Local Government Chairman and the Director of Administration, Ado Local Government, Ado-Ekiti. Particular attention is required to the followings:

- (i) Revenue Accounts
- (ii) Internal control and Internal check
- (iii) Attendance to Audit Report and Queries
- (iv) Fixed Assets Register
- (v) Capital Projects
- (vi) Outstanding Audit Queries and other matters

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Ado Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Ado Local Government as at the year ended 31st December, 2021.

22-03-2022

Hon. Bosun Osaloni,
Executive Chairman.

22/03/22

Mr. Agbaje S.A,
Director of Finance.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS are:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Government. The items in the Statements are cross referenced to any related information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria are met in accordance to **IPSAS 23**.

- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and are reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) PREPAYMENT

Prepayment expenses were payments made in advance of receipt of goods or services, i.e., the payments were made early the year for benefits to be received over the latter part of the year or payments made in one year for benefits to be received in subsequent years.

(17) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(18) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses. Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(19) INVESTMENT PROPERTY (IPSAS 16)

These were cost generating property owned by the Local Government. The cost, capitalisation depreciation and impairment were same with PPE, but was reported separately in the Statement of Financial Position.

(20) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(21) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(22) RESERVES

Reserves are classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(23) BORROWINGS.

Borrowings are recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(24) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(25) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(26) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF AIYEKIRE LOCAL GOVERNMENT,

ODE-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Aiyekire Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF AIYEKIRE LOCAL GOVERNMENT, ODE-EKITI FOR THE YEAR
ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Aiyekire Local Government have been examined in accordance with sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively Section 26(2) of Ekiti State Audit Law 2014 and Section 32(2) of the Local Government Administration Law No 2 of 1999, The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Aiyekire Local Government to prepare and present the General purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- i. The estimate made for Revenue in the 2021 budget recorded a performance of 97.91%. That is, an estimate was made for N1,842,319,155.28, while actual Revenue recorded stood at N1,803,768,113.44. Equally, the actual IGR of N9,986,974.87 represents

only 0.55% of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory Allocation for survival.

- ii. The sum of N1,829,520,217.00 only was budgeted for expenditure but only N1,827,983,665.31 was actually incurred, resulting to a saving of N1,536,551.69 for the period.

8. REVENUE ACCOUNT

A total sum of N1,803,768,113.44 was earned as total Revenue as at 31st December, 2021 out of which only 0.55% (N9,986,974.87) was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a deficit of 40.61% over that of previous year. Details of this is contained in the statement of Budget for the year 2021.

9. AUTHORITY FOR EXPENDITURE

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10 of this report.

10. INFRACTIONS DURING THE YEAR

The following expenditure appears to be contrary to law.

S/N	QUERY NO	SUBJECT	AMOUNT (₦)
1	AUD/AYLG/AQ/01/2021	Unproduced Revenue Earning Receipts	Assorted
2	AUD/AYLG/AQ/02/2021	Expenditure Contrary To Regulation	2,035,000.00
3	AUD/AYLG/AQ/03/2021	Unreceipted /Unretired Expenditure	755,000.00
4	AUD/AYLG/AQ/04/2021	Unaudited Expenditure	646,500.00
5	AUD/AYLG/AQ/05/2021	Items Not Taken on Store Ledger Charge	851,500.00

7	AUD/AYLG/AQ/07/2021	Unvouched Expenditure	1,570,000.00
	TOTAL		6,671,600.00

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. STATEMENTS OF ASSETS AND LIABILITIES

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. DISALLOWANCE

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. STATE OF ACCOUNT

The Accounts of Aiyekire Local Government had been examined up to 31st December, 2021 and detailed observations have been forwarded to the Local Government Chairman and the Director of Administration, Aiyekire Local Government, Ode-Ekiti. Particular attention is required to the followings:

- (i) Internally Generated Revenue.
- (ii) Attendance to audit queries.
- (iii) Fixed Assets Register.
- (iv) Unproduced Revenue Receipts.
- (v) All Outstanding matters from previous report.

14. **RECEIPTS FROM JAAC:** It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

15. **OUTSTANDING MATTERS FROM PREVIOUS REPORTS**

The following matters remained outstanding in my previous reports.

- i. Loss of fund involving Mr. Olarewanju Oladimeji (2015) N4,881,128.88

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Aiyekire Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Aiyekire Local Government as at the year ended 31st December, 2021.

Director of Finance.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local

Government. The items in the Statements were cross referenced to any related information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit

debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) PREPAYMENT

Prepayment expenses were payments made in advance of receipt of goods or services, i.e., the payments were made early the year for benefits to be received over the latter part of the year or payments made in one year for benefits to be received in subsequent years.

(17) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(18) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(19) INVESTMENT PROPERTY (IPSAS 16)

These were cost generating property owned by the Local Government. The cost, capitalisation depreciation and impairment were same with PPE, but was reported separately in the Statement of Financial Position.

(20) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years

Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(21) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(22) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(23) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(24) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(25) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The

Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(26) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF EFON LOCAL GOVERNMENT,

EFON-ALAAYE-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Efon Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF EFON LOCAL GOVERNMENT, EFON-ALAAYE-EKITI FOR THE
YEAR ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Efon Local Government have been examined in accordance with, sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively and Section 26(2) of Ekiti State Audit Law, 2014 and section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Efon Local Government to prepare and present the General purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. **BASIS OF OPINION**

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. **OPINION**

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. **BUDGET OVERVIEW AND PERFORMANCE**

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- (i) The estimate made for Revenue in the 2021 budget recorded a performance of 90.67%. That is, an estimate was made for **N1,711,725,056.24**, while actual Revenue recorded stood at **N1,552,100,029.06**. Equally, the actual IGR of **N6,404,763.99** represents only **0.41%** of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.

- (ii) The sum of **N1,702,457,196.55** only was budgeted for expenditure but only **N1,556,401,973.99** was actually incurred, resulting to a saving of **N146,055,222.56** for the period.

8. REVENUE ACCOUNT

A total sum of **N1,552,100,029.06** was earned as total Revenue as at 31st December, 2021 out of which only **0.41% (N6,404,763.99)** was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a deficit of **(3.97%)** over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. AUTHORITY FOR EXPENDITURE

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10 of this report.

10. INFRACTIONS DURING THE YEAR

The following expenditure appears to be contrary to law.

S/N	QUERY NO	SUBJECT	AMOUNT
1	AUD/EFLG/AQ/01/21	Unretired Expenditure	1,590,000.00
2	AUD/ EFLG/AQ/02/21	Nugatory Payment	710,500.00
3	AUD/ EFLG/AQ/03/21	Doubtful Expenditure	730,000.00
4	AUD/ EFLG/AQ/04/21	Item not taken a store ledger charge	1,501,750.00
5	AUD/ EFLG/AQ/05/21	Expenditure not supported with proper record	677,125.00
	TOTAL		5,209,375

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its

responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. STATEMENTS OF ASSETS AND LIABILITIES

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. DISALLOWANCE

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. STATE OF ACCOUNT

The Accounts of Efon Local Government had been examined up to 31st December, 2021 and detailed observations have been forwarded to the Local Government Chairman and the Director of Administration, Efon Local Government, Efon-Alaaye-Ekiti. Particular attention is required to the followings:

- (i) Cash books and subsidiary ledgers
- (ii) Attendance to Audit Query.
- (iii) Loan Register.
- (iv) Internal Generated Revenue.
- (v) Capital Accounts.
- (vi) Fixed Assets Register.

14. RECEIPTS FROM JAAC: It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

15. **OUTSTANDING MATTERS FROM PREVIOUS REPORTS**

The following matters remained outstanding in my previous report

1. Unretired Security vote 2019 (AUD/EFLG/AQ/04/2019) ₦17,000,000.00

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance of Efon Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Efon Local Government as at the year ended 31st December, 2021.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Government. The items in the Statements were cross referenced to any related

information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- iii. Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- iv. Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.

- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for

public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(17) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(18) INVESTMENT PROPERTY (IPSAS 16)

These were cost generating property owned by the Local Government. The cost, capitalisation depreciation and impairment were same with PPE, but was reported separately in the Statement of Financial Position.

(19) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(20) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(21) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(22) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(23) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(24) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(25) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

(26) BIOLOGICAL ASSETS (IPSAS 27).

IPSAS 27 requires Biological assets to be measured at fair value less cost of disposal at initial recognition and at each reporting date, except where the fair value cannot be determined reliably, the affected Local Governments could not reliably determine fair value less cost to sell.

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF EKITI EAST LOCAL GOVERNMENT,

OMUO-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Ekiti East Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

Ekiti State.

FRC/2014/ANAN/00000010278

REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE ACCOUNTS OF EKITI EAST LOCAL GOVERNMENT, OMO-OKITI FOR THE YEAR ENDED 31ST DECEMBER, 2021.

The General Purpose Financial Statements of Ekiti East Local Government have been examined in accordance with, sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively, section 26(2) of Ekiti State Audit Law, 2014 and Section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Ekiti East Local Government to prepare and present the General Purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are

free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- (i). The estimate made for Revenue in the 2021 budget recorded a performance of 95.73%. That is, an estimate was made for N1,962,142,548.00 while actual Revenue recorded stood at N1,878,283,664.74. Equally, the actual IGR of N6,844,468.57 represents only 0.36% of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.
- (ii). The sum of N1,921,401,545.00 only was budgeted for expenditure but only N1,878,382,208.39 was actually incurred, resulting to saving of N43,019,336.61 for the period.

8. REVENUE ACCOUNT

A total sum of N1,878,283,664.74 was earned as total Revenue as at 31st December, 2021 out of which only 0.36% (N6,844,468.57) was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a deficit of (2.96%) over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. **AUTHORITY FOR EXPENDITURE**

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10, of this report.

10. **INFRACTIONS DURING THE YEAR:**

The following expenditure appears to be contrary to Law.

S/N	QUERY NO	SUBJECT	AMOUNT
			N K
1	AUD/EELG/AQ/01/2021	Unproduced Revenue Earning Receipts	Assorted
2	AUD/EELG/AQ/02/2021	Expenditure Contrary to Regulation	2,429,000.00
3	AUD/EELG/AQ/03/2021	Unretired/Unaudited payment Vouchers	1,497,000.00
4	AUD/EELG/AQ/04/2021	Items not taken on store ledger charge	1,367,760.00
5	AUD/EELG/AQ/05/2021	Unproduced payment vouchers	571,500.00
6	AUD/EELG/AQ/06/2021	Unvouched Expenditures	485,000.00
	TOTAL		6,350,260.00

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. **STATEMENTS OF ASSETS AND LIABILITIES**

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. **DISALLOWANCE**

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. **STATE OF ACCOUNT**

The Accounts of Ekiti East Local Government have been examined up to 31st December, 2021 and detailed observations had been forwarded to the Local Government Chairman and the Director of Administration, Ekiti East Local Government, Omuo-Ekiti. Particular attention is required to the followings:

- (i) Cash books and subsidiary ledgers
- (ii) Bank Reconciliation Statements
- (iii) Fixed Assets Register
- (iv) Attendance to Audit Query
- (v) Internally Generated Revenue
- (vi) Capital Projects

14. **RECEIPTS FROM JAAC:** It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

15. **OUTSTANDING MATTERS FROM PREVIOUS REPORTS**

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Ekiti East Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Ekiti East Local Government as at the year ended 31st December, 2021.

11/03/2022

**Hon. Ojo Oluwasegun Samuel,
Executive Chairman.**

11/03/22

**Mr. Adesola Femi Olu,
Director of Finance.**

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Government. The items in the Statements were cross referenced to any related information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- v. Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.

- vi. Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) PREPAYMENT

Prepayment expenses were payments made in advance of receipt of goods or services, i.e., the payments were made early the year for benefits to be received over the latter part of the year or payments made in one year for benefits to be received in subsequent years.

(17) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(18) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses. Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(19) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years

Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(20) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(21) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(22) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(23) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(24) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(25) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

(26) BIOLOGICAL ASSETS (IPSAS 27).

IPSAS 27 requires Biological assets to be measured at fair value less cost of disposal at initial recognition and at each reporting date, except where the fair value cannot be determined reliably, the affected Local Governments could not reliably determine fair value less cost to sell.

REPORT

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF EKITI SOUTH WEST

LOCAL GOVERNMENT, ILAWE-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Ekiti South West Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF EKITI SOUTH WEST LOCAL GOVERNMENT, ILAWE-EKITI
FOR THE YEAR ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Ekiti South West Local Government have been examined in accordance with sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively Section 26(2) of Ekiti State Audit Law 2014 and Section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Ekiti South West Local Government to prepare and present the General purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- i. The estimate made for Revenue in the 2021 budget recorded a performance of 90.88%. That is, an estimate was made for N2,240,122,714.58 while actual Revenue recorded stood at N2,035,732,742.20. Equally, the actual IGR of N9,420,125.22 represents

only 0.46% of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.

- ii. The sum of N2,186,987,057.13 only was budgeted for expenditure but only N2,027,203,478.31 was actually incurred, resulting to saving of N159,783,578.82 for the period.

8. REVENUE ACCOUNT

A total sum of N2,035,732,742.20 was earned as total Revenue as at 31st December, 2021 out of which only 0.46% (N9,420,125.22) was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a surplus of 80.82% over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. AUTHORITY FOR EXPENDITURE

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10 of this report.

10. INFRACTIONS DURING THE YEAR

The following expenditure appears to be contrary to law.

S/N	QUERY NO	SUBJECT	AMOUNT	
			N	K
1	AUD/EKSW/AQ/01/21	Unproduced Revenue Earning Receipts		Assorted
2	AUD/EKSW/AQ/02/21	Doubtful Expenditure	1,181,000.00	
3	AUD/EKSW/AQ/03/21	Unaudited Expenditure	960,000.00	
4	AUD/EKSW/AQ/04/21	Unvouched Expenditure	1,870,000.00	
5	AUD/EKSW/AQ/05/21	Expenditure Contrary to Regulation	2,233,000.00	
	TOTAL		6,244,000.00	

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. STATEMENTS OF ASSETS AND LIABILITIES

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. DISALLOWANCE

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. STATE OF ACCOUNT

The Accounts of Ekiti South West Local Government had been examined up to 31st December, 2021 and detailed observations have been forwarded to the Local Government Chairman and the Director of Administration, Ekiti South West Local Government, Ilawe-Ekiti. Particular attention is required to the followings:

- (i) Internally Generated Revenue
- (ii) Attendance to audit queries
- (iii) Unproduced Revenue Receipts
- (iv) Fixed Assets Register
- (v) All Outstanding matters from previous report

14. RECEIPTS FROM JAAC: It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released

to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

15. **OUTSTANDING MATTERS FROM PREVIOUS REPORTS**

The following matters remained outstanding in my previous reports.

I. **2019 OUTSTANDING AUDIT QUERIES**

QUERY NUMBER	QUERY SUBJECT	AMOUNT ON QUERY	AMOUNT ANS	AMOUNT CLEARES	AMOUNT OUTSTANDING	RMK
AUD/ESWLG/AQ/09/19	Unretired security vote	11,400,000.00	-	-	11,400,000.00

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Ekiti South West Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Ekiti Southwest Local Government as at the year ended 31st December, 2021.

Hon. Apolola Richard G.
Executive Chairman.

28/02/2022

Mr. Oluleye Olusola B.
Director of Finance.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local

Government. The items in the Statements were cross referenced to any related information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.

- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) PREPAYMENT

Prepayment expenses were payments made in advance of receipt of goods or services, i.e., the payments were made early the year for benefits to be

received over the latter part of the year or payments made in one year for benefits to be received in subsequent years.

(17) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(18) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(19) INVESTMENT PROPERTY (IPSAS 16)

These were cost generating property owned by the Local Government. The cost, capitalisation depreciation and impairment were same with PPE, but was reported separately in the Statement of Financial Position.

(20) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(21) UNREMITTED DEDUCTIONS.

Unremitted deductions were monies owned to third parties such as tax authorities, schemes, and Association and other government agencies. These included tax deductions and other deductions at source. These amounts were stated in the GPFS at their repayment value, which were treated as Current Liabilities in the Statement of Financial Position.

(22) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(23) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(24) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(25) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(26) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The

Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(27) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

(28) BIOLOGICAL ASSETS (IPSAS 27).

IPSAS 27 requires Biological assets to be measured at fair value less cost of disposal at initial recognition and at each reporting date, except where the fair value cannot be determined reliably, the affected Local Governments could not reliably determine fair value less cost to sell.

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF EKITI WEST LOCAL GOVERNMENT,

ARAMOKO-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Ekiti West Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF EKITI WEST LOCAL GOVERNMENT, ARAMOKO-EKITI FOR
THE YEAR ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Ekiti West Local Government have been examined in accordance with sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively Section 26(2) of Ekiti State Audit Law 2014 and Section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Ekiti West Local Government to prepare and present the General purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- (i). The estimate made for Revenue in the 2021 budget recorded a performance of 91.25%. That is, an estimate was made for **N2,483,173,000.00**, while actual

Revenue recorded stood at **N2,265,899,273.79**. Equally, the actual IGR of **N21,690,672.00** represents only **0.96%** of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.

(ii). The sum of **N2,423,960,000.00** only was budgeted for expenditure but only **N2,273,863,152.70** was actually incurred, resulting to saving of **N150,096,847.30** for the period.

8. REVENUE ACCOUNT

A total sum of **N2,265,899,273.79** was earned as total Revenue as at 31st December, 2021 out of which only **0.96% (N21,690,672.00)** was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a surplus of **68.75%** over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. AUTHORITY FOR EXPENDITURE

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10 of this report.

10. INFRACTIONS DURING THE YEAR

The following expenditure appears to be contrary to law.

S/N	QUERY NO	SUBJECT	AMOUNT	
			N	K
1	AUD/EWLGAQ/01/21	Unproduced Revenue Earning Receipts		Assorted

2	AUD/ EWLG /AQ/02/21	Expenditure Contrary to Regulation (I)	1,953,600.00
3	AUD/ EWLG /AQ/03/21	Expenditure Contrary to Regulation (II)	1,157,300.00

6	AUD/ EWLG /AQ/06/21	Unretired Expenditure	1,354,400.00
	TOTAL		5,260,300.00

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. **STATEMENTS OF ASSETS AND LIABILITIES**

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. **DISALLOWANCE**

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. **STATE OF ACCOUNT**

The Accounts of Ekiti West Local Government had been examined up to 31st December, 2021 and detailed observations have been forwarded to the Local Government Chairman and the Director of Administration, Ekiti West Local Government, Aramoko-Ekiti. Particular attention is required to the followings:

- (i) Prompt attention to Audit Queries
- (ii) Inventory Register/Cards
- (iii) Internally Generated Revenue
- (iv) Fixed Asset Register
- (v) Capital Projects

14. **RECEIPTS FROM JAAC:** It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

15. **OUTSTANDING MATTERS FROM PREVIOUS REPORTS**

The following matters remained outstanding in my previous reports.

(i) **2020 AUDIT QUERIES**

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Ekiti West Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Ekiti West Local Government as at the year ended 31st December, 2021.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Government. The items in the Statements were cross referenced to any related

information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) PREPAYMENT

Prepayment expenses were payments made in advance of receipt of goods or services, i.e., the payments were made early the year for benefits to be received over the latter part of the year or payments made in one year for benefits to be received in subsequent years.

(17) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for

public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(18) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(19) INVESTMENT PROPERTY (IPSAS 16)

These were cost generating property owned by the Local Government. The cost, capitalisation depreciation and impairment were same with PPE, but was reported separately in the Statement of Financial Position.

(20) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(21) UNREMITTED DEDUCTIONS.

Unremitted deductions were monies owned to third parties such as tax authorities, schemes, and Association and other government agencies. These included tax deductions and other deductions at source. These amounts were stated in the GPFS at their repayment value, which were treated as Current Liabilities in the Statement of Financial Position.

(22) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(23) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(24) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(25) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(26) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(27) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

REPORT

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE ACCOUNTS OF EMURE LOCAL

GOVERNMENT,

EMURE-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Emure Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF EMURE LOCAL GOVERNMENT, EMURE-EKITI FOR THE YEAR
ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Emure Local Government have been examined in accordance with sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively Section 26(2) of Ekiti State Audit Law 2014 and Section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Emure Local Government to prepare and present the General purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs and Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- (i). The estimate made for Revenue in the 2021 budget recorded a performance of 65.46%. That is, an estimate was made for N2,240,000,000.00, while actual Revenue recorded stood at 1,466,355,075.39. Equally, the actual IGR of

N8,812,483.19 represents only 0.60% of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.

- ii. The sum of N1,788,000,000.00 only was budgeted for expenditure but only N1,460,539,262.08 was actually incurred, resulting to saving of N327,460,737.92 for the period.

8. **REVENUE ACCOUNT**

A total sum of N1,466,355,075.39 was earned as total Revenue as at 31st December, 2021 out of which only 0.60% (N8,812,483.19) was generated as IGR, which showed that the Local Government solely depends on the Statutory Allocation.

On the basis of comparison, the IGR for the current year recorded a surplus of 42.39% over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. **AUTHORITY FOR EXPENDITURE**

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10 of this report.

10. **INFRACTIONS DURING THE YEAR**

The following expenditure appears to be contrary to law.

S/no	QUERY NO.	SUBJECT	AMOUNT ₦
1.	AUD/EMLG/AQ/01/21	Exp. Contrary to Regulation	1,696,000.00

9.	AUD/EMLG/AQ/09/21	Un-produced revenue earning receipt	Various
		TOTAL	30,597,484.16

These queries and other infractions noted on Local Government accounts during the financial year have been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. **STATEMENTS OF ASSETS AND LIABILITIES**

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. **DISALLOWANCE**

Allowance has been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanation or the sanction of the State House of Assembly.

13. **STATE OF ACCOUNT**

The Accounts of Emure Local Government have been examined up to 31st December, 2020 and detailed observations have been forwarded to the Local Government Chairman and the Director of Administration, Emure Local Government, Emure - Ekiti. Your attention is invited to the following issues:

- (i) Internal Control.
- (ii) Lapses in the keeping of financial records
- (iii) Expenditure contrary to regulations
- (iv) Internally Generated Revenue
- (v) Attendance to audit queries

- (vi) Fixed Assets Register
- (vii) Capital Projects.
- (viii) Outstanding queries and other matters.

14. **RECEIPTS FROM JAAC:** It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Emure Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Emure Local Government as at the year ended 31st December, 2021.

Director of Finance.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Government. The items in the Statements were cross referenced to any related information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.

- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (i) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (ii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A

provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) PREPAYMENT

Prepayment expenses were payments made in advance of receipt of goods or services, i.e., the payments were made early the year for benefits to be received over the latter part of the year or payments made in one year for benefits to be received in subsequent years.

(17) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(18) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses. Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(19) INVESTMENT PROPERTY (IPSAS 16)

These were cost generating property owned by the Local Government. The cost, capitalisation depreciation and impairment were same with PPE, but was reported separately in the Statement of Financial Position.

(20) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years

Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(21) UNREMITTED DEDUCTIONS.

Unremitted deductions were monies owned to third parties such as tax authorities, schemes, and Association and other government agencies. These included tax deductions and other deductions at source. These amounts were stated in the GPFS at their repayment value, which were treated as Current Liabilities in the Statement of Financial Position.

(22) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(23) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(24) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(25) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(26) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(27) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

(28) BIOLOGICAL ASSETS (IPSAS 27).

IPSAS 27 requires Biological assets to be measured at fair value less cost of disposal at initial recognition and at each reporting date, except where the fair value cannot be determined reliably, the affected Local Governments could not reliably determine fair value less cost to sell.

REPORT

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE ACCOUNTS OF IDO/OSI LOCAL

GOVERNMENT,

IDO-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Ido/Osi Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF IDO/OSI LOCAL GOVERNMENT, IDO-EKITI FOR THE YEAR
ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Ido/Osi Local Government have been examined in accordance with sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively Section 26(2) of Ekiti State Audit Law 2014 and Section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Ido/Osi Local Government to prepare and present the General purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. **BASIS OF OPINION**

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. **OPINION**

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. **BUDGET OVERVIEW AND PERFORMANCE**

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- i. The estimate made for Revenue in the 2021 budget recorded a performance of 74.08%. That is, an estimate was made for N2,793,746,876.40 while actual Revenue recorded stood at N2,071,112,113.83. Equally, the actual IGR of **N17,232,503.40** represents only 0.83% of the total Revenue for

the period, meaning the Local Government relied unduly on the Statutory allocation for survival.

- ii. The sum of **N2,369,825,999.42** only was budgeted for expenditure but only **N2,071,467,514.47** was actually incurred, resulting to saving of **N298,358,484.95** for the period.

8. REVENUE ACCOUNT

A total sum of **N2,069,673,788.92** was earned as total Revenue as at 31st December, 2021 out of which only **0.83% (N17,232,503.40)** was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a surplus of 69.13% over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. AUTHORITY FOR EXPENDITURE

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10 of this report.

10. INFRACTIONS DURING THE YEAR

The following expenditure appear to be contrary to law.

S/N	QUERY NUMBER	SUBJECT	AMOUNT (N)
1	AUD/IOLG/AQ/01/2021	Unproduced Revenue Earning Receipts	Assorted
2	AUD/IOLG/AQ/02/2021	Expenditure Contrary to Regulations I	2,607,000.00
3	AUD/IOLG/AQ/03/2021	Expenditure Contrary to Regulations II	2,530,750.00
4	AUD/IOLG/AQ/04/2021	Expenditure not accounted for	1,021,512.80
		Total	6,159,262.80

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. STATEMENTS OF ASSETS AND LIABILITIES

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. DISALLOWANCE

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. STATE OF ACCOUNT

The Accounts of Ido/Osi Local Government have been examined up to 31st December, 2021 and detailed observations had been forwarded to the Local Government Chairman and the Director of Administration, Ido/Osi Local Government, Ido-Ekiti. Particular attention is required to the followings:

- (i) Attendance to Audit Query
- (ii) Inventory Register/Cards
- (iii) Internally Generated Revenue
- (iv) Capital Projects
- (v) Fixed Assets Register

14. **RECEIPTS FROM JAAC:** It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

15. OUTSTANDING MATTERS FROM PREVIOUS REPORTS

The following matters remained outstanding in my previous reports.

(A) (i) LOSS OF FUND INVOLVING MR AJAYI OLUBAYO AND MR VICTOR OGUNJE IN 2015

Amounts involved (₦)	Amount recovered (₦)	Outstanding balance	Remark
1,907,357.48	1,410,000.00	497,357.48	Not yet recovered

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Ido/Osi Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Ido/Osi Local Government as at the year ended 31st December, 2021.

Hon. Ogunsina Olusola ,
Executive Chairman.

Mr. Akintunde Cosmas Adebayo
Director of Finance.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Government. The items in the Statements were cross referenced to any related

information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.

- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(17) INVESTMENT PROPERTY (IPSAS 16)

These were cost generating property owned by the Local Government. The cost, capitalisation depreciation and impairment were same with PPE, but was reported separately in the Statement of Financial Position.

(18) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(19) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(20) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(21) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(22) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(23) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(24) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

(25) BIOLOGICAL ASSETS (IPSAS 27).

IPSAS 27 requires Biological assets to be measured at fair value less cost of disposal at initial recognition and at each reporting date, except where the fair value cannot be determined reliably, the affected Local Governments could not reliably determine fair value less cost to sell

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF IJERO LOCAL GOVERNMENT,

IJERO-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Ijero Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF IJERO LOCAL GOVERNMENT, IJERO-EKITI FOR THE YEAR
ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Ijero Local Government have been examined in accordance with, sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively, section 26(2) of Ekiti State Audit Law, 2014 and Section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Ijero Local Government to prepare and present the General Purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- i. The estimate made for Revenue in the 2021 budget recorded a performance of 99.48%. That is, an estimate was made for N2,048,766,427.81, while actual Revenue recorded stood at N2,038,164,611.65. Equally, the actual IGR of N13,178,183.84 represents only 0.65% of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.

- ii. The sum of N2,038,881,603.58 only was budgeted for expenditure but N2,038,322,017.49 was actually incurred, resulting to a savings of N559,586.09 for the period.

8. REVENUE ACCOUNT

A total sum of N2,038,164,611.65 was earned as total Revenue as at 31st December, 2021 out of which only 0.65% (N13,178,183.84) was generated as IGR, which showed that the Local Government solely depends on the Statutory Allocation.

On the basis of comparison, the IGR for the current year recorded a surplus of 3.59% over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. AUTHORITY FOR EXPENDITURE

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10, of this report.

10. INFRACTIONS DURING THE YEAR

The following expenditure appears to be contrary to Law.

S/N	QUERY NUMBER	SUBJECT	AMOUNT (N)
1	AUD/IJLG/AQ/01/2021	Unproduced Revenue Earning Receipts	Assorted
2	AUD/IJLG/AQ/02/2021	Expenditure Contrary to Regulations	1,160,000.00
3	AUD/IJLG/AQ/03/2021	Expenditure not Supported with Proper Records of	1,380,000.00
4	AUD/IJLG/AQ/04/2021	Accounts/Unaudited	1,598,000.00
5	AUD/IJLG/AQ/05/2021	Items not taken on Store Ledger Charge	3,123,321.68
		Expenditure not Accounted for	
		TOTAL	7,261,321.68

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management

for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. STATEMENTS OF ASSETS AND LIABILITIES

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. DISALLOWANCE

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. STATE OF ACCOUNT

The Accounts of Ijero Local Government have been examined up to 31st December, 2019 and detailed observations had been forwarded to the Local Government Chairman and the Director of Administration, Ijero Local Government, Ijero-Ekiti. Particular attention is required to the followings:

- (i) Cash books and subsidiary ledgers
- (ii) Bank Reconciliation Statement
- (iii) Attendance of Audit Queries
- (iv) Internally Generated Revenue

(v) Fixed Asset Register.

14. **RECEIPTS FROM JAAC:** It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Ijero Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Ijero Local Government as at the year ended 31st December, 2021.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Government. The items in the Statements were cross referenced to any related

information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- vii. Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- viii. Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(17) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(18) UNREMITTED DEDUCTIONS.

Unremitted deductions were monies owned to third parties such as tax authorities, schemes, and Association and other government agencies. These included tax deductions and other deductions at source. These amounts were stated in the GPFS at their repayment value, which were treated as Current Liabilities in the Statement of Financial Position.

(19) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(20) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(21) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised

in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(22) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(23) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(24) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

REPORT

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF IKERE LOCAL GOVERNMENT,

IKERE-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Ikere Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF IKERE LOCAL GOVERNMENT, IKERE-EKITI FOR THE YEAR
ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Ikere Local Government have been examined in accordance with sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively, Section 26(2) of Ekiti State Audit Law, 2014 and section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Ikere Local Government to prepare and present the Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year, and the section was adhered to by the Local Government.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. **BASIS OF OPINION**

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. **OPINION**

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. **BUDGET OVERVIEW AND PERFORMANCE**

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS actual showed the following shortcomings:

- i. The estimate made for Revenue in the 2021 budget recorded a low performance. An estimate was made for **N2,626,900,000.00**, while actual Revenue recorded stood at **N2,467,876,209.99**. This is about **93.95%** performance. Equally, the actual IGR of **N137,506,490.85**

represents only **5.57%** of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.

- ii. The sum of **N2,459,363,446.75** only was budgeted for expenditure but only **N2,458,863,446.22** was actually incurred, resulting to savings of **N500,000.53** for the period.

8. **REVENUE ACCOUNT**

A total sum of **N2,467,876,209.99** was earned as total Revenue as at 31st December, 2021 out of which only **5.57% (N137,505,490.85)** was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a surplus of **991.06%** over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. **AUTHORITY FOR EXPENDITURE**

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraphs 10 of this report.

10. **INFRACTIONS DURING THE YEAR**

The following expenditure appears to be contrary to law.

S/N	QUERY NO	QUERY SUBJECT	AMOUNT IN QUERY (₦)
1	AUD/IKELG/AQ/01/2021	Unaudited Expenditure	3,251,000.00
2	AUD/IKELG/AQ/02/2021	Unretired security votes	9,000,000.00
3	AUD/IKELG/AQ/03/2021	Expenditure not supported with proper Records	306,637.00

4	AUD/IKELG/AQ/04/2021	Nugatory Payment	2,150,000.00

9	AQ/IKELG/AQ/09/2021	Unvouched Expenditure	4,933,860.32
		TOTAL	31,295,771.17

These queries and other infractions noted on Local Government accounts during the financial year have been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. **STATEMENTS OF ASSETS AND LIABILITIES**

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. **DISALLOWANCE**

Allowance has been reserved in respect of the expenditure detailed in Jparagraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. **STATE OF ACCOUNT**

The Accounts of Ikere Local Government have been examined up to 31st December 2019 and detailed observations have been forwarded to the Local Government Chairman and the Director of Administration, Ikere Local Government, Ikere Ekiti.

Your attention is invited to the following issues:

- Non adherence to Financial Memoranda
- Fixed Assets Register
- Internally Generated Revenue
- Traditional Council's Accounts
- Attendance to Audit Queries
- Capital Projects

14. **RECEIPTS FROM JAAC:** It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

15. **OUTSTANDING MATTERS FROM PREVIOUS REPORTS**

The following matters remained outstanding in my previous reports.

(a) Loss of fund involving Mr. Fasanmi Oluremi (2015) N257,000.00

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Ikere Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Ikere Local Government as at the year ended 31st December, 2021.

22/03/22

Hon. Ayodele Oluwafemi,
Executive Chairman.

22/03/2022

Mr. Falayi Tope Michael,
Director of Finance.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Government. The items in the Statements were cross referenced to any related information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.

- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(17) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses. Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(18) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years

Office Equipment 3 years

IT Equipment 3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(19) UNREMITTED DEDUCTIONS.

Unremitted deductions were monies owned to third parties such as tax authorities, schemes, and Association and other government agencies. These included tax deductions and other deductions at source. These amounts were stated in the GPFS at their repayment value, which were treated as Current Liabilities in the Statement of Financial Position.

(20) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(21) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(22) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(23) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(24) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of

service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(25) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

(26) BIOLOGICAL ASSETS (IPSAS 27).

IPSAS 27 requires Biological assets to be measured at fair value less cost of disposal at initial recognition and at each reporting date, except where the fair value cannot be determined reliably, the affected Local Governments could not reliably determine fair value less cost to sell.

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF IKOLE LOCAL GOVERNMENT,

IKOLE-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Ikole Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF IKOLE LOCAL GOVERNMENT, IKOLE-EKITI FOR THE YEAR
ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Ikole Local Government have been examined in accordance with sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively, section 26(2) of Ekiti State Audit Law, 2014 and section 32(2) of the Local Government Administration Law No 2 of 1999,. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Ikole Local Government to prepare and present the General Purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- i. The estimate made for Revenue in the 2021 budget recorded a performance of 71.82%. That is, an estimate was made for N2,887,510,000.00, while actual Revenue recorded stood at N2,073,925,271.41. Equally, the actual IGR of N14,046,956.93 represents

only 0.68% of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.

- ii. The sum of N2,291,010,000.00 only was budgeted for expenditure but only N2,068,227,602.99 was actually incurred, resulting to a saving of N222,782,397.01 for the period.

8. **REVENUE ACCOUNT**

A total sum of N2,073,925,271.41 was earned as total Revenue as at 31st December, 2021 out of which only 0.68% (14,046,956.93) was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a surplus of 17.87% over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. **AUTHORITY FOR EXPENDITURE**

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10, of this report.

10. **INFRACTIONS DURING THE YEAR:**

The following expenditure appears to be contrary to Law.

S/N	QUERY NO	SUBJECT	AMOUNT (₦)
1	AUD/IKLG/AQ/01/2021	Unproduced Revenue Earning Receipt	Assorted
2	AUD/IKLG/AQ/02/2021	Expenditure Contrary To Regulation	782,000.00
3	AUD/IKLG/AQ/03/2021	Unretired Expenditure	2,298,000.00

7	AUD/IKLG/AQ/07/2021	Unproduced Payment Voucher	480,000.00
	TOTAL		7,926,334.63

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. STATEMENTS OF ASSETS AND LIABILITIES

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. DISALLOWANCE

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. STATE OF ACCOUNT

The Accounts of Ikole Local Government had been examined up to 31st December, 2021 and detailed observations have been forwarded to the Local Government Chairman and the Director of Administration, Ikole Local Government, Ikole-Ekiti. Particular attention is required to the followings:

- (i) Cash books and subsidiary ledgers
- (ii) Attendance to Audit Query
- (iii) Loan Register
- (iv) Internal Generated Revenue
- (v) Capital Accounts

14. RECEIPTS FROM JAAC: It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Ikole Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Ikole Local Government as at the year ended 31st December, 2021.

Hon. Sola Olominu,
Executive Chairman.

Mr. Olawumi Jacob
Director of Finance.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Government. The items in the Statements were cross referenced to any related information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.

- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(17) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses. Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(18) INVESTMENT PROPERTY (IPSAS 16)

These were cost generating property owned by the Local Government. The cost, capitalisation depreciation and impairment were same with PPE, but was reported separately in the Statement of Financial Position.

(19) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS**USEFUL LIFE**

Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(20) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(21) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(22) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(23) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(24) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(25) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

(26) BIOLOGICAL ASSETS (IPSAS 27).

IPSAS 27 requires Biological assets to be measured at fair value less cost of disposal at initial recognition and at each reporting date, except where the fair value cannot be determined reliably, the affected Local Governments could not reliably determine fair value less cost to sell.

REPORT

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF ILEJEMEJE LOCAL GOVERNMENT,

EDA-ONIYO EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Ilejemeje Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF ILEJEMEJE LOCAL GOVERNMENT, IYE-EKITI FOR THE YEAR
ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Ilejemeje Local Government have been examined in accordance with, sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively, section 26(2) of Ekiti State Audit Law, 2014 and Section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Ijero Local Government to prepare and present the General Purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- i. The estimate made for Revenue in the 2021 budget recorded a performance of 91.72%. That is, an estimate was made for N1,332,311,315.79 while actual Revenue recorded stood at

N1,221,979,362.99 . Equally, the actual IGR of N4,103,003.57 represents only 0.34% of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.

- ii. The sum of N1,322,369,291.05 only was budgeted for expenditure but only N1,218,663,269.46 was actually incurred, resulting to a saving of N103,706,021.59 for the period.

8. **REVENUE ACCOUNT**

A total sum of N1,221,979,362.99 was earned as total Revenue as at 31st December, 2021 out of which only 0.34%(N4,103,003.57) was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a savings of 85.23% over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. **AUTHORITY FOR EXPENDITURE**

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10, of this report.

10. **INFRACTIONS DURING THE YEAR:**

The following expenditure appears to be contrary to Law.

S/N	QUERY NO	SUBJECT	AMOUNT (N)
1	AUD/ILLG/AQ/01/2021	Unproduced Revenue Earning Receipts	Assorted
2	AUD/ILLG/AQ/02/2021	Expenditure not supported with proper Records of Accounts	525,000.00
3	AUD/ILLG/AQ/03/2021	Items not taken on Store Ledger charge	955,000.00
4	AUD/ILLG/AQ/04/2021	Expenditure not Accounted for	2,974,801.97
5	AUD/ILLG/AQ/05/2021	Unreceipted Expenditure	471,000.00
		Total	4,925,801.97

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. STATEMENTS OF ASSETS AND LIABILITIES

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. DISALLOWANCE

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. STATE OF ACCOUNT

The Accounts of Ilejemeje Local Government had been examined up to 31st December, 2021 and detailed observations have been forwarded to the Local Government Chairman and the Director of Administration, Ilejemeje Local Government, Iye-Ekiti. Particular attention is required to the followings:

- (i) Response to Audit Queries
- (ii) Expenditure Contrary to Regulations
- (iii) Internally Generated Revenue
- (iv) Unproduced Revenue Receipts
- (v) Outstanding matters from the previous reports
- (vi) Fixed Asset Register

14. **RECEIPTS FROM JAAC:** It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Ilejemeje Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Ilejemeje Local Government as at the year ended 31st December, 2021.

Director of Finance.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Government. The items in the Statements were cross referenced to any related

information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.

- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(17) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(18) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(19) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(20) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(21) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(22) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(23) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(24) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

(25) BIOLOGICAL ASSETS (IPSAS 27).

IPSAS 27 requires Biological assets to be measured at fair value less cost of disposal at initial recognition and at each reporting date, except where the fair value cannot be determined reliably, the affected Local Governments could not reliably determine fair value less cost to sell.

REPORT

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE ACCOUNTS OF

IREPODUN/IFELODUN LOCAL GOVERNMENT

IGEDE-EKITI

FOR THE YEAR ENDED,

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Irepodun/Ifelodun Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF IREPODUN/IFELODUN LOCAL GOVERNMENT, IGEDE-EKITI
FOR THE YEAR ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Irepodun/Ifelodun Local Government have been examined in accordance with sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively Section 26(2) of Ekiti State Audit Law 2014 and Section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Irepodun/Ifelodun Local Government to prepare and present the General Purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

(i). The estimate made for Revenue in the 2021 budget recorded a performance of 81.29%. That is, an estimate was made for, N2,728,932,291.34 while actual Revenue recorded stood at

N2,218,292,241.35. Equally, the actual IGR of **N17,315,496.72** represents only **0.78%** of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.

(ii). The sum of **N2,490,343,365.86** only was budgeted for expenditure but only **N2,219,791,075.92** was actually incurred, resulting to saving of **N270,552,289.94** for the period.

8. **REVENUE ACCOUNT**

A total sum of **N2,218,292,241.35** was earned as total Revenue as at 31st December, 2021 out of which only **0.78% (N17,315,496.72)** was generated as IGR, which showed that the Local Government solely depends on the Statutory Allocation.

On the basis of comparison, the IGR for the current year recorded surplus of **52.58%** over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. **AUTHORITY FOR EXPENDITURE**

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10 of this report.

10. **INFRACTIONS DURING THE YEAR**

The following expenditure appears to be contrary to law.

S/N	QUERY NO	SUBJECT	AMOUNT
			N K
1	AUD/IILG/AQ/01/2021	Expenditure Contrary to Regulation	1,963,000.00
2	AUD/IILG/AQ/03/2021	Unaudited payment vouchers	1,553,465.00
3	AUD/IILG/AQ/04/2021	Unretired Expenditure	1,085,900.00
4	AUD/IILG/AQ/05/2021	Item not taken on store ledger charge	459,000.00
5	AUD/IILG/AQ/06/2021	Unvouched Expenditure	802,000.00
		TOTAL	5,863,365.00

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. **STATEMENTS OF ASSETS AND LIABILITIES**

The Statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. **DISALLOWANCE** Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. **STATE OF ACCOUNT**

The Accounts of Irepodun/Ifelodun Local Government have been examined up to 31st December, 2021 and detailed observations had been forwarded to the Local

Government Chairman and the Director of Administration, Irepodun/Irepodun Local Government, Igede-Ekiti. Particular attention is required to the followings:

- (a) Bank Reconciliation Statements
- (b) Internal Control and Internal checks
- (c) Attendance to audit queries.
- (d) Fixed Assets Register
- (e) Outstanding audit queries.

14. **RECEIPTS FROM JAAC:** It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

15. **OUTSTANDING MATTERS FROM PREVIOUS REPORTS**

The following matters remained outstanding in my previous reports

- i) Loss of fund from Salary Account involving Arowolo F.O
and Omolade J.O. (2015)

LOCAL GOVERNMENT	YEAR	AMOUNT OF LOSS (N)	AMOUNT RECOVERED (N)	BALANCE (N)	OFFICIALS INVOLVED

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Irepodun/Ifelodun Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Irepodun/Ifelodun Local Government as at the year ended 31st December, 2021.

23/3/22

Hon. Ogundana Babatola O,
Executive Chairman.

Mrs. Akinola O.O
Director of Finance.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local

Government. The items in the Statements were cross referenced to any related information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(17) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(18) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(19) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(20) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(21) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(22) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(23) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(24) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

(25) BIOLOGICAL ASSETS (IPSAS 27).

IPSAS 27 requires Biological assets to be measured at fair value less cost of disposal at initial recognition and at each reporting date, except where the fair value cannot be determined reliably, the affected Local Governments could not reliably determine fair value less cost to sell.

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF ISE/ORUN LOCAL GOVERNMENT,

ISE-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Ise/Orun Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF ISE/ORUN LOCAL GOVERNMENT, ISE -EKITI FOR THE YEAR
ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Ise/Orun Local Government have been examined in accordance with sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively and section 26(2) of Ekiti State Audit Law, 2014 and section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Ise/orun Local Government to prepare and present the General Purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimate and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual, showed the following shortcomings:

- i. The estimate made for Revenue in the 2021 budget recorded a performance of 62.64%. That is, an estimate was made for N2,664,626,045.79, while

actual Revenue recorded stood at N1,669,241,114.92. Equally, the actual IGR of N9,814,137.26 represents only 0.59% of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.

- ii. The sum of N2,656,050,000.00 only was budgeted for expenditure but only N1,673,381,570.45 was actually incurred, resulting to saving of N982,668,429.55 for the period.

8. **REVENUE ACCOUNT**

A total sum of N1,669,241,114.92 was earned as total Revenue as at 31st December, 2021 out of which only 0.59% (N9,814,137.26) was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a surplus of 25.61% over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. **AUTHORITY FOR EXPENDITURE**

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10, of this report.

10. **INFRACTIONS DURING THE YEAR:**

The following expenditure appears to be contrary to Law.

S/no	QUERY NO.	SUBJECT	AMOUNT ₦
1.	AUD/IOLG/AQ/01/21	Exp. Contrary to Reg.	3,060,000.00

8.	AUD/IOLG/AQ/08/21	Unproduced revenue receipt	various
		TOTAL	21,497,487.70

These queries and other infractions noted on Local Government accounts during the financial year have been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. **STATEMENTS OF ASSETS AND LIABILITIES**

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. **DISALLOWANCE**

Allowance has been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. **STATE OF ACCOUNT**

The Accounts of Ise/orun Local Government have been examined up to 31st December, 2021 and detailed observations have been forwarded to the Local Government Chairman and the Director of Administration, Ise/Orun Local Government, Ise-Ekiti. Particular attention is required to the followings:

- (i) Internally Generated Revenue
- (ii) Internal control and Internal check
- (iii) Attendance to audit queries
- (iv) Fixed Assets Register
- (v) Capital Projects
- (vi) Outstanding matters and Audit Queries

14. **RECEIPTS FROM JAAC:** It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

15. **OUTSTANDING MATTERS FROM PREVIOUS REPORTS**

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Ise/Orun Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Ise/Orun Local Government as at the year ended 31st December, 2021.

29/3/2022

Hon. Akinluy Ayodele J.
Executive Chairman.

22/03-2022

Mr. Jayeoba O. James, (CAN),
Director of Finance.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local

Government. The items in the Statements were cross referenced to any related information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.

- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(17) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(18) INVESTMENT PROPERTY (IPSAS 16)

These were cost generating property owned by the Local Government. The cost, capitalisation depreciation and impairment were same with PPE, but was reported separately in the Statement of Financial Position.

(19) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(20) UNREMITTED DEDUCTIONS.

Unremitted deductions were monies owned to third parties such as tax authorities, schemes, and Association and other government agencies. These included tax deductions and other deductions at source. These amounts were stated in the GPFS at their repayment value, which were treated as Current Liabilities in the Statement of Financial Position.

(21) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(22) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(23) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(24) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(25) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(26) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

REPORT

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF MOBA LOCAL GOVERNMENT,

OTUN-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Moba Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF MOBA LOCAL GOVERNMENT, OTUN-EKITI FOR THE YEAR
ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Ilejemeje Local Government have been examined in accordance with, sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively, section 26(2) of Ekiti State Audit Law, 2014 and Section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Moba Local Government to prepare and present the General Purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31ST December 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimates and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrual showed the following shortcomings:

- i. The estimate made for Revenue in the 2021 budget recorded a performance of 75.68%. That is, an estimate was made for N2,198,853,195.20, while actual Revenue recorded stood at N1,664,024,656.48. Equally, the actual IGR of N9,248,766.39 represents only 0.56% of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.
- ii. The sum of N1,799,644,055.60 only was budgeted for expenditure but only N1,677,311,872.54 was actually incurred, resulting to saving of N122,332,183.06 for the period.

8. REVENUE ACCOUNT

A total sum of N1,664,024,656.48 was earned as total Revenue as at 31st December, 2021 out of which only 0.56% (N9,248,766.39) was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a surplus of 31.56% over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. AUTHORITY FOR EXPENDITURE

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10, of this report.

10. INFRACTIONS DURING THE YEAR:

The following expenditure appears to be contrary to Law.

S/N	QUERY NUMBER	SUBJECT	AMOUNT (N)
1	AUD/MLG/AQ/01/2021	Unproduced Revenue Earning Receipts	Assorted
2	AUD/MLG/AQ/02/2021	Expenditure Contrary to Regulations I	2,116,725.00
3	AUD/MLG/AQ/03/2021	Expenditure Contrary to Regulations II	5,163,959.05
4	AUD/MLG/AQ/04/2021	Items not taken on Store Ledger Charge	636,600.00
5	AUD/MLG/AQ/05/2021	Expenditure not Accounted for	667,236.34
6	AUD/MLG/AQ/06/2021	Unvouched Expenditure	9,209,495.18
		TOTAL	17,794,015.57

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. STATEMENTS OF ASSETS AND LIABILITIES

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. DISALLOWANCE

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. STATE OF ACCOUNT

The Accounts of Moba Local Government had been examined up to 31st December, 2021 and detailed observations have been forwarded to The Local Government Chairman and the Director of Administration, Moba Local Government, Otun-Ekiti. Particular attention is required to the followings:

- (i) Unproduced Revenue Earning Receipts
- (ii) Internally Generated Revenue
- (iii) Fixed Assets Register
- (iv) Internal Control and internal checks

14. RECEIPTS FROM JAAC: It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Moba Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Moba Local Government as at the year ended 31st December, 2021.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local

Government. The items in the Statements were cross referenced to any related information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.

- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(17) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(18) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(19) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(20) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(21) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(22) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(23) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(24) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

OF THE

AUDITOR-GENERAL FOR LOCAL

GOVERNMENTS

ON THE

ACCOUNTS OF OYE LOCAL GOVERNMENT,

OYE-EKITI

FOR THE YEAR ENDED

31ST DECEMBER, 2021.

AUDIT CERTIFICATE

I have examined the General Purpose Financial Statements of Oye Local Government as at 31st December, 2021 in accordance with Sections 123(2) of the Constitution of the Federal Republic of Nigeria 1989; 316(1) of the Constitution of the Federal Republic of Nigeria 1999, 32 (2) of the Local Government Administration Law No 2 of 1999, and section 26(2) of Ekiti State Audit Law 2014. In the course of audit, I performed financial and compliance audit in accordance with International Standards on Auditing (ISA) and International Organisation of Supreme Audit Institutions (INTOSAI) Auditing Standards. The Financial Statements were prepared in line with IPSAS Accrual. I have obtained information and explanations that I required for my audit. In my opinion, the General Purpose Financial Statements and the supporting Accounts and Statements give a true and fair view of the Local Government as at 31st December, 2021 subject to the observations in this report.

**REPORT OF THE AUDITOR GENERAL FOR LOCAL GOVERNMENTS ON THE
ACCOUNTS OF OYE LOCAL GOVERNMENT, OYE-EKITI FOR THE YEAR
ENDED 31ST DECEMBER, 2021.**

The General Purpose Financial Statements of Oye Local Government have been examined in accordance with sections 123(2) and 316 of the Constitution of the Federal Republic of Nigeria, 1989 and 1999 respectively and section 26(2) of Ekiti State Audit Law, 2014 and section 32(2) of the Local Government Administration Law No 2 of 1999. The General Purpose Financial Statements were correct subject to the comments in this report and the existence of the Assets have also been substantiated.

2. STATEMENT OF FINANCIAL RESPONSIBILITY

It is the responsibility of Director of Finance of Oye Local Government to prepare and present the General Purpose Financial Statements to the Auditor-General in accordance with the provisions of Section 35(1) of Ekiti State Audit Law 2014 within 90 days after the expiration of the financial year.

3. STATEMENT OF RESPONSIBILITY OF AUDITOR-GENERAL

It is my responsibility to form an independent opinion, based on General Purpose Financial Statements and accompanying Accounts prepared and submitted to me by the Director of Finance of the Local Government and to report thereupon in consonance with the Constitution of the Federal Republic of Nigeria.

4. RESPONSIBILITY OF THE PUBLIC ACCOUNTS COMMITTEE (PAC)

It is the responsibility of the Public Accounts Committee of the State House of Assembly to review the Auditor-General's Report with a view to ensuring enforcement of the recommendations made and impose sanctions where necessary.

5. BASIS OF OPINION

The Audit was conducted in compliance with International Standards on Auditing (ISA) and Generally Accepted Public Sector and INTOSAI Auditing Standards.

These standards require that I comply with ethical requirements, plan and perform the audit to obtain reasonable assurance that the financial statements are

free from material misstatements whether due to fraud or error. I also evaluated the overall adequacy of the presentation of information in the financial statements.

In the course of the Audit, I have obtained all the information and explanation that to the best of my knowledge and belief were necessary for the purpose of audit and I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for independent opinion.

6. OPINION

In my opinion, the Financial Statements which included Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Comparison of Budget and Actual and Statement of Changes in Net Assets/Equity as at 31st December, 2021 with supporting notes, give a true and fair view of the State of Affairs And Financial Position of the Local Government for the fiscal year ended on 31st December, 2021 subject to the observations and comments in the other parts of this report.

7. BUDGET OVERVIEW AND PERFORMANCE

Statement of Comparison on Budget Estimate and Actual Performance for the year ended 31st December, 2021 was prepared and presented in compliance with IPSAS accrued, showed the following shortcomings:

- i. The estimate made for Revenue in the 2021 budget recorded a performance of 70.38%. That is, an estimate was made for. N2,698,718,112.25 while actual Revenue recorded stood at N1,899,242,936.64. This is about 70.38% performance. Equally, the actual IGR of N12,250,486.49 represents only 0.65% of the total Revenue for the period, meaning the Local Government relied unduly on the Statutory allocation for survival.
- ii. The sum of N2,396,281,388.79 only was budgeted for expenditure but only N1,899,199,668.24 was actually incurred, resulting to saving of N497,081,720.55 for the period.

8. REVENUE ACCOUNT

A total sum of N1,899,242,936.64 was earned as total Revenue as at 31st December, 2021 out of which only 0.65% (N12,250,486.49) was generated as IGR, which showed that the Local Government solely depends on the Statutory allocation.

On the basis of comparison, the IGR for the current year recorded a Surplus of 0.61% over that of previous year. Details of this is contained in the statement of Budget Comparison for the year 2021.

9. AUTHORITY FOR EXPENDITURE

All expenditure shown in the statement of actual expenditure for the year have been authorized as provided for by section 22(i) of the Local Government Administration Law 1999 with the exceptions of paragraph 10, of this report

10. INFRACTIONS DURING THE YEAR:

The following expenditure appears to be contrary to Law.

S/N	QUERY NO	SUBJECT	AMOUNT	
			N	K
1	AUD/OYLG/AQ/01/2021	Unproduced Revenue Earning Receipts		Assorted
2	AUD/OYLG/AQ/02/2021	Expenditure contrary to Regulation	1,609,000.00	
3	AUD/OYLG/AQ/03/2021	Unretired Expenditure	833,000.00

7	AUD/OYLG/AQ/06/2021	Unvouched Expenditure	266,000.00	
	TOTAL		6,454,481.09	

These queries and other infractions noted on Local Government accounts during the financial year had been forwarded to the Local Government Management for its responses. As at the time of writing this report, responses to issues raised in Audit Inspection Report are still been awaited.

11. STATEMENTS OF ASSETS AND LIABILITIES

The statements of Assets and Liabilities were correct and existence of the Assets have been substantiated.

12. DISALLOWANCE

Allowance had been reserved in respect of the expenditure detailed in paragraph 10 of this report pending a satisfactory explanations or the sanction of the State House of Assembly.

13. STATE OF ACCOUNT

The Accounts of Oye Local Government have been examined up to 31st December, 2021 and detailed observations had been forwarded to the Local Government Chairman and the Director of Administration, Oye Local Government, Oye-Ekiti. Particular attention is required to the followings:

- (i) Internal control and Internal check
- (ii) Attendance to Audit queries
- (iii) Unproduced Revenue Earning Receipts
- (iv) Expenditure Contrary to Regulation
- (v) Fixed Asset Register
- (vi) Outstanding Audit Queries and other related matters.

14. RECEIPTS FROM JAAC: It was observed by audit in the year under review that the SLGJAAC allocations due to the Local Government were completely released to its accounts. The SLGJAAC allocations accounts had been audited by the Auditor-General for Local Governments and published.

15. OUTSTANDING MATTERS FROM PREVIOUS REPORTS

The following matters remained outstanding from my previous report

- (a) Loss of Fund Involving Mr. Victor Osanyinlusi and Mr. Gabriel Taiwo (2015)

RESPONSIBILITY FOR FINANCIAL STATEMENTS

The General Purpose Financial Statements have been prepared by the Director of Finance Oye Local Government based on the available records and in compliance with the IPSAS Accrual Accounting for all Public Sectors Entities (PSE) in Nigeria.

To the best of our knowledge, the system of internal control had operated adequately throughout the reporting period, and the statements represent a true and fair view of the Financial Position of the Local Government.

The Director of Finance accepts responsibility for the integrity of these Financial Statements, the information they contain and their compliance with International Public Sector Accounting Standards (IPSAS) Accrual Accounting for all public sector entities (PSE) in Nigeria.

In my opinion, these General Purpose Financial Statements fairly reflect the financial position of Oye Local Government as at the year ended 31st December, 2021.

28/03/2022

Hon. Ajimoko Sunday James,
Executive Chairman.

28-3-2022

Mr. Ayodele S.O.
Director of Finance.

STATEMENT OF ACCOUNTING POLICIES (IPSAS 3)

(1) BASIS OF ACCOUNTING ADOPTED FOR PREPARATION/STATEMENT OF COMPLIANCE IN EKITI STATE LOCAL GOVERNMENTS

The General-Purpose Financial Statements of Ekiti State Local Governments have been prepared in compliance with IPSAS Accrual Accounting basis, using the General-Purpose Financial Statement (GPFS) reporting format approved by the Federal Executive Council of Nigeria (FEC) in 2012 with full compliance with historical cost convention. It recognizes transactions, and as events occurred whether expenses were paid for or not and revenue received or outstanding, and under the guidelines of Financial Memoranda in conformity with National Chart of Account (NCOA) and the Nigeria Accounting Standard Board for Public Sector Reporting.

(2) ACCOUNTING PERIOD

The accounting year was divided into twelve (12) calendar months (periods) covering 1st January to 31st December and is set up as such in the accounting system.

(3) PRESENTATION OF FINANCIAL STATEMENTS (IPSAS 1): PRINCIPAL STATEMENTS IN THE GENERAL-PURPOSE FINANCIAL STATEMENTS

The principal statements contained in the GPFS were:

- a. Statement of Financial Performance
- b. Statement of Financial Position
- c. Statement of Cash flow
- d. Statement of Changes in Net Assets/Equity
- e. Statement of Comparison of Budget and Actual Amount.
- f. Notes to the GPFS.

(4) NOTES TO THE GPFS

Notes to the GPFS were presented in a systematic manner in line with **IPSAS 22**, which requires full disclosure of financial information of the Local Government. The items in the Statements were cross referenced to any related

information in the Notes and followed the format provided in the Accounting Manual.

(5) BASIS OF MEASUREMENT (IPSAS 29)

These General-Purpose Financial Statements (GPFS) were prepared under the historical cost convention and in accordance with the International Public Sector Accounting Standards (IPSAS) Accrual Basis and other applicable Standards as defined by the Fiscal Responsibility Commission (FRC), the Financial Reporting Council of Nigeria (FRCN) and with the provision of the Constitution of the Federal Republic of Nigeria 1999 as amended, the Financial Control and Management Act (1958) now CAFM. 26 LFN 2004.

(6) REPORTING CURRENCY

The General-Purpose Financial Statements were presented in Nigeria Naira, which is the functional currency of the Local Government.

(7) COMPARATIVE INFORMATION

The General-Purpose Financial statements presented disclosed all numerical information relating to previous year for ease of comparison.

(8) BUDGET INFORMATION (IPSAS 24)

The approved annual budget was in line with the Appropriation Law and was prepared on the accrual basis, that is, all planned cost and incomes presented in a single statement to determine the needs of the Local Government. As a result of the adoption of the accrual basis for budgeting purposes, it stated the variances between the actual amount and the budgeted amount. This was explicitly shown in the Statement of Comparison of Budget and Actual for the year ended 31st December, 2021.

(9) GOING CONCERN

The General-Purpose Financial Statements have been prepared on a going concern basis.

(10) REVENUE

This presented both the exchange and non-exchange revenue from Internally Generated Revenue and Statutory Allocation from the Federation Account during the year under review.

- (i) Revenue from non-exchange transactions such as fees, taxes, and fines were recognized when the events occurred and the assets recognition criteria were met in accordance to **IPSAS 23**.
- (ii) Revenue from exchange transactions was recognized when the significant risks and rewards of ownership have been transferred to the buyer(s) usually when goods were delivered or services were rendered as prescribed by **IPSAS 9**.

(11) AID AND GRANTS

Aid and grants to the Local Government were recognised as income on entitlement, while aid and grants to other government agencies were recognised as expenditure on commitment for the reporting period.

(12) EXPENSES.

All expenses were reported on accrual basis, i.e., all expenses were recognized in the period they were incurred or when the related services were enjoyed, irrespective of when the payments were made.

(13) STATEMENT OF CASH FLOW (IPSAS 2).

This statement was prepared using the direct method in accordance with the format provided in the GPFS.

The Cashflow statement consists of three (3) sections:

- (i) Operating Activities section which includes cash received from all income sources of the Local Government and recorded the cash payments made for the supply of goods and services.
- (ii) Investing Activities section: This includes activities relating to the acquisition and disposal of non-current assets.
- (iii) Financing Activities section: This comprises the change in equity and debt capital structure of the Local Government.

(14) CASH AND CASH EQUIVALENT (IPSAS 2).

Cash and Cash equivalent included cash balances on hand, held in bank accounts, demand deposit and other highly liquid investments with an original maturity of six (6) months or less, in which the Local Government invests as part of its day-to-day cash management and which were readily convertible to known amounts of cash and were subject to insignificant risk of changes in value and were reported under Current Assets in the Statement of Financial Position. Also, Cash and Cash Equivalent was reported under Current Assets in the Statement of Financial Position.

(15) RECEIVABLES

Receivable from exchange transactions were recognised initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. A provision for impairment of receivables was established when there was objective evidence that the Local Governments would not be able to collect all amounts due according to the original terms of the receivables.

Receivable from non-exchange transactions included fees, taxes, and fines as well as social benefit receivables that did not arise out of a contract. These receivables were initially assessed at nominal amount or face value, i.e., the receivable reflect the amount of tax owed, levy, fine charged or social benefit debt payable which were subsequently adjusted for penalties as they were charged and tested for impairment.

(16) INVENTORIES (IPSAS 12).

Inventories were valued initially at cost and subsequently at the lower of cost and net realizable value using FIFO method. Those held for distribution for public benefit purposes were recorded at cost, adjusted where applicable for any loss of services potential and were reported under Current Assets in the Statement of Financial Position.

(17) PROPERTY, PLANT & EQUIPMENT (PPE) (IPSAS 17)

All PPE were stated at historical cost less accumulated depreciation and any impairment losses.

Historical cost included expenditure that were directly attributable to the acquisition of the items. The carrying amount of property, plants and equipment of the Local Government Council as at the end of year 2021.

(18) DEPRECIATION

Depreciation on assets were charged on a straight-line basis at rates calculated to allocate the cost or valuation of the assets less any estimated residual value over their useful life:

ASSETS	USEFUL LIFE
Building	50 years
Machinery	10-20 years
Furniture and fixtures	5 years
Vehicle	5 years
Office Equipment	3 years
IT Equipment	3 years

The full depreciation charge was applied to PPE in the month of acquisition and disposal, regardless of the day of the month the transactions were carried out.

(19) PAYABLES.

Payables were recognized at fair value and subsequently measured at amortised cost using the effective interest method.

(20) RESERVES

Reserves were classified under equity in the Statement of Financial Position and include: Statement of Financial Performance Surpluses/(Deficits) and Revaluation Reserve.

(21) BORROWINGS.

Borrowings were recognized initially at fair value, net of transaction cost incurred and subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised

in the consolidated statement of financial performance over the period of borrowings using the effective interest method.

(22) TRANSFER TO OTHER GOVERNMENT ENTITIES

Revenue from non-exchange transactions with other government entities were measured at fair value and recognised on receipt of asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured.

(23) EMPLOYEE BENEFITS/PENSION & GRATUITY

According to **IPSAS 25**, The Local Government measured the short-term employee benefits (salaries, social security contributions, leave bonuses and all monetary benefits) using the cost of service rendered by the employees. The Provision has been made, where applicable, using an actuarial valuation for retirement gratuities.

(24) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions throughout the year were converted into Nigerian Naira at the ruling (Central Bank of Nigeria -CBN) rate of exchange at the dates of the transactions while the foreign loans balances were translated using closing rate.

(25) BIOLOGICAL ASSETS (IPSAS 27).

IPSAS 27 requires Biological assets to be measured at fair value less cost of disposal at initial recognition and at each reporting date, except where the fair value cannot be determined reliably, the affected Local Governments could not reliably determine fair value less cost to sell.
