

IDEAS PROJECT

1.0 The Innovation Development and Effectiveness in the Acquisition of Skills (IDEAS) Project is a World Bank assisted Project of the Federal Ministry of Education, Abuja. The Project is to assist and support the Government's long-term education reform agenda to adequately address the identified constraints facing technical education in Nigeria. The project aimed at strengthened skills acquisition at all levels to increase youth employment and create professionals and technicians with middle-level vocational qualifications as well as lower-level skilled crafts persons and semi-skilled workers.

2.0 Project Development Objectives (PDOs): To enhance the capacity of the Nigerian skills development system to produce relevant skills for the formal and informal sectors.
