COMMUNITY REQUISITIONS

On behalf of the Olukere-in –Council and all the sons and daughters of Odo-Oja Ekiti, Ikere Local Government Council, Ikere-Ekiti, I HRM Oba Ganiyu Ayodele Obasoyin, Okomolese II the Olukere of Ikere, Odo-Oja Ekiti extend our heart-felt appreciation to our amiable governor, Governor Biodun Abayomi Oyebanji for his generous support towards the success and the development of our dear Odo-Oja Ekiti Community, Ikere Ekiti.

Here are our urgent needs:

1. The Oja Olukere Market near the Post Office needs urgent and prompt renovation to make it look modern.
2. The age-long upstairs building at the Olukere Palace with series of cracks due to its age needs urgent attention.
3. The L.A Primary School, Moshood Road, Odo-Oja, Ikere-Ekiti needs proper fencing in the interest of the security of the pupils and teachers. This will also put an end to the way neighbours are encroaching on the school land.
4. This same L.A Primary School's Buildings needs renovation and repairs.
5. The Road leading to the Palace from the Post Office and the Palace itself to be graded/tarred.
6. The Olosunta Groove is the Mecca for ALL Ikere people. The road to the groove needs grading/tarring and electrification.
Lets make the groove an attractive tourist centre for Ikere-Ekiti like Oke Idanre and Osun Oshogbo Grooves.

Thanks for your anticipated co-operation.

ILAWE NEEDS FOR 2026

We commend the State Government for the completion of Ilawe-Ikere road. The Kabiyesi and the entire people of Ilawe are not ungrateful for other infrastructural development in the town, particularly the General Hospital and others.

- a. We want to emphasize the need for township roads in Ilawe. They are presently deplorable.
- b. Lack of portable water is another area that needs urgent attention in lieu of this, pending the time the necessary infrastructure are put in place. Boreholes in many quarters of the town will be appreciated.

Your Excellency, last year you directed Ministry of Rural Development to rehabilitate three boreholes in Ilawe. The entire community met with the ministry's officials, but up till today, nothing was done. The Community will appreciate urgent repairs of the said boreholes.

- c. Construction of Ilawe – Aramoko Road.
- d. Ilawe – Ikogosi Road.
- e. Ecological problems in Ilawe, particularly Aaye, Oke-Emo, Iro, and Okebedo.
- f. Fire fighting station.in case of fire outbreak in the Community
